Planning Offices
Elmbridge Borough Council.
Dear Sir,

land adjacent to Car Park in Downside Bridge Road,
Cobham. Extension to Car Park. Ref:- 2008/103b

The extension to the existing Car Park is long
overdue and I support this application whole-
heartedly!

At times the car park is totally full and
there is nowhere else to park within a reasonable
distance.

People using the Church Gate House Centre,
many of them elderly or with children, cannot
be expected to walk from the pay and display
car park several hundred yards away. The
road can be quite dangerous on occasion near
the Church graveyard.

Yours faithfully
