  - Look for any “[Portable PA System](#)” or [Karaoke System](#). I do recommend the [Yamaha EMX 312](#) or something similar. Your practice [PA](#) should have the following features at a minimum:
    - A “head” or board that has:
      - 4-6 channels
      - Built in Effects
        - Reverb
        - Delay / Echo
        - Compression
      - The ability to take head phones.
      - The ability to take an external device like an iPod, iPhone, digital recorder, flash drive and flash cards so you can play your training scales and music through the [PA](#).
    - Two Speakers with at least 120W.
- ✓ [Master Writer Lyric Writing Software](#)
- ✓ [Singer's Tea & The Vocal Inhaler](#)
- ✓ [Olympus Hand held Digital Recorder](#) (The WS Series):

- ✓ [Hercules Microphone Stands](#)
- ✓ [Pocket Tone](#) or purchase the [PocketTones app. on iPhone](#).
- ✓ [Vocalbooth togo](#) or Sterling Reflection Filter
- ✓ Spectrum Software Recommendations
