[Medical reasons](#) not to wear a mask are well presented on NoMask.info . Government-controlled media parade only "experts" who say the opposite, so these have been hidden from your view.

[Non-medical reasons](#) not to wear a mask are listed via this link.

[Is the "Covid-19 crisis" real?](#) Absolutely not! See why it's all a bunch of government lies greater than Pearl Harbor, the Gulf of Tonkin and Iraqi WMDs all rolled into one.

[Isn't it selfish to go without a mask?](#) Certainly it is, and a good thing too! But it's also selfish to wear one. This page clears out the confusion.

[How to defeat "requirements"](#) to wear a face diaper. Some practical ideas for beating the tin gods in government and their sheep-like acolytes in retail.
