

Life Coach (Obici/ Bell Harbor Medical Center Emergency Department):

Catholic Charities of Eastern Virginia, Inc. is looking for one Life Coach that is familiar with community resources and has a strong history of medical experience. The qualified candidate should be an LPN, CNA, ED Technician, Medical Assistant, or Pharmacy Technician and has worked in a Medical setting for no less than one year. This is a full-time position with benefits. The candidate will work with hospital staff to identify patients for the "Life Coach" services, educate patients on available resources, coordinate access to PCP and acute/specialty care personnel, monitor services and provide written quarterly reports and other duties as assigned. The candidate should be computer literate, a self-starter, well organized, have a valid Virginia driver's license, and acceptance of Pro-Life philosophy, and be able to adapt to a flexible work schedule. Please send resume and cover letter to Jessica Gonzalez at hr@cceva.org.
