

Motorbike Chain Spray

Description

Fully synthetic, extremely adherent and waterproof chain lubricating grease with outstanding creep and lubricating effect. Especially suitable for fast-running chains as well as with dusty, dirty and corrosive conditions. Reduces chain elongation and helps to extend chain service life. With complex ester technology.

Properties

- reduces chain elongation
- friction and wear reducing
- resistant to acceleration forces
- excellent adhesion
- especially cold, hot and splash-water resistant
- highest load-carrying capacity
- excellent penetration action
- outstanding corrosion protection
