Created in His Image: Exploring the Theology of the Body

*Professional Development Workshop for all
Catechetical Leaders, Catechists, and K-12 Catholic
School Teachers*

Explore St. John Paul II's teachings on the Theology of the Body and how you can lead your students to understand what it means to be made in the image and likeness of God, male and female. You'll also explore ways to appropriately teach about purity, human sexuality, and other topics related to Theology of the Body in age appropriate ways.

SOPHIA
INSTITUTE
FOR TEACHERS

Since our founding nine years ago, tens of thousands of teachers have enjoyed attending Sophia Institute for Teacher workshops. Our goal: to honor you and your vocation as a teacher. We fulfill our mission as a Catholic apostolate when you leave our programs renewed, refreshed, and re-energized in your vocation.
