

## Windshield Cleaner Compact

### Description

Ensures clear visibility and increased driving safety. Removes oil deposits, silicone residue and dead insects. Free of phosphates and biodegradable. Also descales the washer nozzles and hoses. Suitable for use with polycarbonate headlamp diffusers. Much easier to use and more practical than normal bottled windscreen cleaner. Can also be mixed with anti-freeze. Saves space. Reduces waste. Apple aroma. Tested and approved by DEKRA.

### Properties

- suitable for polycarbonate
- streak-free vision
- removes exhaust deposits and preservative residues
- simple to use
- does not attack plastics, rubber and paints
- increases driving safety
- excellent cleaning effect
- prevents limescale deposits
