

**Dear Parents & Students,**

*We hope to make Young Life camp affordable for everyone. I remember saving up, working fundraisers, and asking relatives for an early birthday present, all to get myself to camp. Therefore, I know how much work it takes. See below for a snapshot of the great fundraisers we are offering this year!*

### **2022 Summer Camp Fundraisers**

**Do Work Fundraiser:** The simplest of all our fundraisers! You do work for someone and they make a donation to Young Life on your behalf, which will go towards your camp trip. Please understand that we are dependent upon the community to provide these opportunities. Amounts vary based on each opportunity.

**Deadline: Camp Departure**

**Golf Tournament Fundraiser:** Each year we host a golf tournament in the Spring to benefit Chesterfield County Young Life. We also allow students who need to raise significant funds for their camp trip to participate by working with their parents to find businesses willing to sponsor a hole. The Hole Sponsor level is \$250 and \$200 of that cost goes to the student. *This fundraiser is limited to the Hole Sponsor level.*

**Deadline to submit sponsor: April 18, 2022**

**Project Serve:** Students commit to a full-day of service at a local non-profit. They find sponsors for their service that day (flat donation or per hour of service) and the money raised goes directly to their camp fund.

**Deadline to sign up is March 14, 2022**

**41 & Change Coffee:** Students sell first class coffee and make money per item sold. For every bag of coffee sold, you will earn \$4.00. Each bag sold will be matched by the area. This means you will earn \$8.00 per bag sold.

**Deadline: Camp Departure**

*We are continually working on new ideas for effective fundraisers. If you have any ideas, please feel free to share them!*
