## **Covid-19 Safety plan**

### **Protocols to Minimize the Risks of Infection**

1. Control measures for maintaining physical distance on the premises of Tetachuck Wilderness Lodge
  - 2 m distancing rule applied every where
  - Pre-registration by e-mail, touchless payment options
  - Each group in a Cabin must be from one household unit. (Households are defined as people who live in one home and have maintained social distancing during the Covid-19 outbreak)
  - West Cabin available for self-contained only.
2. Rules and Guidelines
  - Stay at home if you are sick to avoid spreading illness to others.
  - Practice diligent hand hygiene at all times.
  - Practice cough etiquette. Cough into your elbow or cover your mouth and nose with a disposable tissue when you sneeze. Immediately dispose of all used tissues in an appropriate waste bin and wash your hands right away.
  - Do not touch your eyes, nose or mouth with unwashed hands.
  - Do not share food, drinks, utensils, cigarettes, vaping devices.
  - Maintain a physical distance of two meters from others at all times
  - Wash hands for at least 20 seconds in warm water and soap every time you enter or exit your unit.
  - Parents must ensure that their children maintain a 2-metre (6 feet) separation at all times from other children/people.
  - Dogs must be on the leash at all times.
  - The hot tub is closed for all guests.
3. Cleaning practices
  - Daily cleaning and disinfection of hard surfaces in Lodge common areas, high touch surfaces are cleaned twice daily.
  - After guest's departure the cabin is left idle for 48 hr. before cleaning.
  - Diligent cleaning and disinfection of all hard surfaces with special attention to frequently touched items such as toilets, sinks, faucets, doorknobs, light switches and garbage cans.
