

Trey Songz - Chi Chi Lyrics

Got, got it on smash

Pull up in that Bentley GT

Skrrt, skrrt, beep, beep

Girl, meet me in my bed

I'ma go down eat, eat

Ride them chi chis

Know I'ma skeet, skeet (Oh yeah, yeah)

Got me on repeat, bitch wanna freak me

Girl, I know you ain't from 'round here

Shut up, shut up, make you cum easy

What up? What up? Pussy come easy

Yeah, she gon' make me go insane when I

Kiss your lips, kiss your shit

When you spit on it

Girl, I'ma let you feel that drip, feel that drip

Don't let overthink or analyze

Swirl that tip, slow motion when I'm inside

Take that shhh

Don't give me no lip (Yeah, yeah)

When you're laying on your stomach

When I grip them hips tight

Don't you think 'bout running from me

When I slip inside

(Yeah, yeah)

Bentley GT

Skrrt, skrrt, beep, beep

Girl, meet me in my bed (Woo, yeah)

I'ma go down eat, eat

Ride them chi chis

Know I'ma skeet, skeet (Oh yeah, yeah)

Got me on repeat, bitch wanna freak me

Girl, I know you ain't from 'round here

Shut up, shut up, make you cum easy
What up? What up? Pussy come easy (Yeah)

They don't, they don't know, Papi chulo
Runnin' up a check, you see it
If they don't, they don't go
Dame Culo, 'cause you know my shit amazin'
They don't want no smoke, want no smoke
Bitches wanna have a nigga baby
She get down on all fours, hop on the pole
A hunnid more minutes
Baby, I'm about to give you rounds, so ride it
Bump and grindin', it's the perfect timing
I'ma turn you out, no lyin'
You gon' see

(Yeah, yeah)
Pull up in that Bentley GT
Skrrt, skrrt, beep, beep
Girl, meet me in my bed (Ooh, na na na)
I'ma go down eat, eat
Ride them chi chis
Know I'ma skeet, skeet (Oh yeah, yeah)
Got me on repeat, bitch wanna freak me
Girl, I know you ain't from 'round here
Shut up, shut up, make you cum easy
What up? What up? Pussy come easy (Yeah)

Make you cum
Pussy come, pussy come, pussy come easy
Ma-Make you cum
Pu-Pu-Pussy comes easy
