

# System Of A Down - Sad Statue Lyrics

Conquest to the lover and your love to the fire  
Permanence unfolding in the absolute  
Forgiveness is the the ultimate sacrifice  
Eloquence belongs to the conqueror  
The pictures of time and space are rearranged  
In this little piece of typical tragedy  
Justified Candy, brandy for the nerves  
Eloquence belongs to the conqueror

You and me, we'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
You and me, we'll all go down in history  
With a sad Statue of Liberty  
And a Generation that didn't agree

I forgot to, I forgot to let you know that  
Justified Candy, brandy for the nerves  
Eloquence belongs to the conqueror  
Conquest to the lover and your love to the fire  
Permanence unfolding in the absolute  
Forgiveness is the ultimate sacrifice  
Eloquence belongs to the conqueror

You and me, we'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
You and me, we'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
Generation, ah

What is in us that turns a deaf ear to the cries of human suffering?  
Suffering now

Suffering now

You and me, we'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree  
You and me, we'll all go down in history  
With a sad Statue of Liberty  
And a generation that didn't agree

Generation (belonging, belonging to)
