

# A\$AP Rocky - Babushka Boi Lyrics

Uh

They call me F-L-A-C-K-O and don't play, no, 'bout my papes  
Baked potato on that Draco, new bandana on my face  
Ain't no stains up on my drapes, squeaky clean, fuck you say?  
Peep them teeth, no dentures please  
Princess cut, no dentist please  
Say cheese for the cameras (ay)  
Eight G's for the dancers (ay)  
Benjis in the safe (ay, that's right)  
Bentleys for the phantoms (uh)  
But they all go to waste (uh)  
So what more can I say?  
Praise to the Lord, give him grace  
Scar on my face  
Uh-uh, wait

(ecafracS, sruoy si dlrow ehT)

The world is yours, Scarface

(ecafracS, sruoy si dlrow ehT)

I ain't ducking niggas, I ain't ducking bullets either, shit

I ain't duck sauce since I became a vegan

Nigga, Flacko Jodye season

Prada pants before the season

Probably ducked off in a quiet place with ya breezy

Prada shades probably why you couldn't see him

You shittin' me? (Boy)

I would like to dedicate (that's right)

To the scar on my face

All the stars of the globe

The world is yours, Scarface

I would like to dedicate this

To the scar on my face

In the stars on the globe

The world is yours, Scarface (Scarface)

Scarface

Scarface

Uh, fuck no, this ain't no hookah  
Smoking while I'm strolling down Wooster  
Buck fifty, my babushka  
No pistol poppers and prostitutes  
Card scammers and the Prada boosters  
Low top, yeah, the powder blue ones  
Robber too, huh? Power to ya  
Hallelujah, better pray to God

I would like to dedicate (that's right)  
To the scar on my face  
All the stars of the globe  
The world is yours, Scarface  
I would like to dedicate this  
To the scar on my face  
In the stars on the globe  
The world is yours, Scarface (boy)

Scarface

Scarface

Uh, pearls and diamonds, that's excessive  
Money, power, that's excessive  
Money problems, that's expected  
Marijuana, ass and breasts's  
Pearls and diamonds, that's excessive  
Money, power, that's excessive  
Money problems, that's expected  
Marijuana, ass and breasts's
