

Romeo Santos - Intro Lyrics

Romeo, it's Katt Williams
King to king, I know family comes first
But after first, comes second
And second, it's time to let these know who the fuckin' king of this shit is
And it's about that time
Babies, get ready
Formula, Volume 3

What we are singing about
I'll break it, I'll break it down
The healing is spiritual
You know I like a miracle
When-, oh

Hey, ¿what's good, papi?
Bendición
Dios te bendiga
¿What are you up to right now?

Right here in the studio
Working on the tracklist
Yo, what's up with you? Talk to me
Yo, I wanted to let you know, pa, I just heard to album
It's fire
Well, you know I gotta drop that heat

Hola, dada (what we are singing about)
Hola, bebé, ¿té te está' portando bien?
Ajá, ¿tu ere' el rey de la batata, dada?
Jajaja, si, mi bebé y te amo mucho
Yo también te amo

Dada
