

Burna Boy - 23 Lyrics

The music make me feel I be Jordan
Now I understand why them say aiye gbon gan
Nkan ti mori, Olo'un mi o so tan

(Woro si woro)

The music make me feel I be Jordan (woro si woro)
(Koro ki koro)
Now I understand why them say aiye gbon gan
(O boy e plenty for my mind you go jisoro)
Nkan ti mori, Olo'un mi o so tan
Many, many listening
Holy water pon my head and my feet
(Jen ri owo eh loke)

Gongo aso
Aye a gbo
Don't gock on
Dem come dey doubt am
So what's the jargon
It's a mad one
Roll a loud one
Record my album
Don't address anyone
But rather I have
And I've been working
No go do like say I don't deserve am
Defend me sef
Me no fear no one

Because the rhythm e plenty gani
Wey give me plenty money
Hypocrite plenty gan
Wey dey pretendi gan ni
Nah take me friends them from me

Dem ah identical to the devil gan ni
I dey see them
Won po bi
But emi kilokanmi
I go be all I can be
Oluwaburna ma pami

Many, many listening
Holy water pon my head and my feet

Wohh
Them ah talk what they can't prove
What them can't prove
'Cause dem want to taste out my food
Gave you my food
Then you talk say I chance you
Try to pick a picker man up
God pass you
Feels like I'm coming from my angle
My arrival come fuck up the cycle
Call me psycho

Ain't no telling what I might do
Why you make me
Make me beg that paper man slide through

Because the rhythm e plenty gani
Please give me plenty money
Hypocrite plenty gan
Wey dey pretend gan ni
Let's just find them for me
Dem ah identical to the devil gan ni
I dey see them
Won po bi
But emi kilokanmi
I go be all I can be
Oluwaburna ma pami
