# **Kp Message 5-4-21...** "Strong Energies, Shifting Timelines, Challenges" (and a rant)

Sometimes the title sums it all up, and although I can put more words in there afterward, the essence of the title is it.

I just watched a movie called "The Final Countdown" (https://m.imdb.com/title/tt0080736/) on Amazon Prime (https://www.amazon.com/Final-Countdown-Kirk-Douglas/dp/B077V1ORD9/ref=sr 1 1?

crid=BU5B2NQ5NBSI&dchild=1&keywords=the+final+countdown+4k&qid=1619999709&rnid=294 1120011&s=instant-video&sprefix=the+final%2Caps%2C274&sr=1-1), to which I was somehow drawn. I felt very aligned with the "portaling in" and "portaling out" of an alternative timeline, which is what the movie was about (an aircraft carrier went through a time portal and found itself in the Pacific

on 12-6-1941, one day before Pearl Harbor).

All I can say is, this felt like where I was at... stuck in alternating timelines. One current, one old and outdated.

You know, I was going to write a lot more, but right now I'm just experiencing so many different "small" things, about the Energies, the house, the lawn, all of this CRAP that I have to deal with with all of that, the putting on masks, the vaxxed people shedding stuff (genetic material?... so I'm tending to isolate from them)... Waiting and waiting and waiting for the next steps to be taken... visibly.

I'm tired as hell of all of this. Florida opened fully today, I heard. Illinois (and Hawaii, I know) are still stuck in the deep state "shut everything down because we're all virtue signallers and better than you who have common sense" energy. Very low, and right now, there's a part of me that is very very tired as hell of it all!

Pardon for my rant...

Aloha, Kp

New weekly report from Ben. I'll only add that it is helpful at this moment to remain free from "fear scenarios".

While the Western world wanders through the dystopia of a fake Joe Biden presidency and a manufactured pandemic, something huge is brewing. A thousands-of-years-old regime is facing systemic collapse and secret negotiations about its replacement are ongoing. We cannot talk in detail about the negotiations yet for security reasons. All we can say is that it will be the biggest thing since monotheism began in ancient Egypt thousands of years ago. When it happens it will be on all the screens and news outlets. Until then operational secrecy is vital, so let's look at the signs of systemic collapse.

<em><!--more Read more...-></em>

The biggest thing visible is hyper-inflation emerging in the U.S. This is something commonly seen during regime collapse. The cause is the people behind the Biden avatar printing money like there is no tomorrow (for them it is probably true). Government hand-outs exploded in March to an annualized \$8.1 trillion, double the \$4.1 trillion from February and \$5 trillion above the pre-"pandemic" level of \$3.2 trillion. <a href="https://www.zerohedge.com/economics/record-34-all-household-income-us-now-comes-government" target="\_blank"

rel = "noopener" > https://www.zerohedge.com/economics/record-34-all-household-income-us-now-comes-government </a>

This is what it has done to commodity prices over last year, even though the party has just barely started: Lumber: +265%, WTI Crude: +210%, Corn: +84%, Copper: +83%, Soybeans: +72%, Silver: +65%, Sugar: +59%, Cotton: +54%, Platinum: +52%, Palladium: +32%, Wheat: +19%, Coffee: +13%. <a href="http://themostimportantnews.com/archives/and-the-federal-reserve-is-trying-to-convince-us-that-inflation-isnt-a-problem" target="\_blank" rel="noopener">http://themostimportantnews.com/archives/and-the-federal-reserve-is-trying-to-convince-us-that-inflation-isnt-a-problem</a>

Supply-chain experts say they have never seen anything like what is now happening. <blockquote>"There is a total, global log-jam; goods cannot be shipped in some cases; and supply-side inflation on a scale we have not seen for a long, long time looks imminent." <u><a href="https://www.zerohedge.com/markets/rabo-we-are-edging-closer-biblical-commodity-price-increase-scenario" target="\_blank" rel="noopener">https://www.zerohedge.com/markets/rabo-we-are-edging-closer-biblical-commodity-price-increase-scenario</a></u></blockquote>
There is also a food shortage emerging in the U.S. with food prices rising and basic items like chicken meat running in short supply. <a href="https://www.zerohedge.com/markets/one-bank-warns-soaring-food-prices-will-lead-social-unrest" target="\_blank" rel="noopener">https://www.zerohedge.com/markets/one-bank-warns-soaring-food-prices-will-lead-prices-wil

As of last December, one in seven U.S. households was suffering food shortages. By January 41.8 million Americans were on food stamps — 13%, more than a year earlier. <a href="https://www.newsmax.com/newsfront/biden-food-stamp-programs/2021/05/02/id/1019794/" target="\_blank" rel="noopener">https://www.newsmax.com/newsfront/biden-food-stamp-programs/2021/05/02/id/1019794/</a>

Meanwhile, all of the Biden funny money being handed out to appease the masses is also removing their incentive to work. The situation has reached the point where McDonald's franchises are paying people \$50 just to show up for a job interview and convenience store chains are paying \$500 signing bonuses. <a href="https://www.zerohedge.com/markets/whatever-it-takes-tampa-mcdonalds-exposes-americas-systemic-labor-shortage-forced-pay" target="\_blank" rel="noopener">https://www.zerohedge.com/markets/whatever-it-takes-tampa-mcdonalds-exposes-americas-systemic-labor-shortage-forced-pay</a>

"How do we get enough drivers, I don't know," was the answer Covenant Logistics CEO David Parker gave analysts last week when asked about the labor shortage. <a href="https://www.zerohedge.com/markets/70000-part-time-driver" target="\_blank" rel="noopener">https://www.zerohedge.com/markets/70000-part-time-driver</a>

Uber insider Nathaniel Rothschild has given public hints – to those who pay attention – tweeting such things as:

<blockquote>"What if tomorrow the world changes as we know it?" and "The next crisis will hit you during your sleep, and you will wake up poor. It will happen lightning fast. Music is still playing. Few do realize that every market is deep faked. So prepare. Buy physical <a href="https://twitter.com/hashtag/Gold?src=hashtag\_click" target="\_blank" rel="noopener">#Gold</a> and <a href="https://twitter.com/hashtag/Silver?src=hashtag\_click" target="\_blank" rel="noopener">#Silver</a>!!" <a href="https://twitter.com/NCJRothschild/status/1385303161448116230" target="\_blank"</p>

rel="noopener">https://twitter.com/NCJRothschild/status/1385303161448116230</a></blockquote> The question that needs to be asked in these circumstances is why is the U.S. dollar so strong? The answer, of course, is that the Biden funny money is only being accepted inside the U.S. In other words, the U.S. dollar is no longer American.

The Chinese are lending the Biden regime real money to buy their stuff because Chinese American Katherine Tai, the U.S. Trade Representative, is the de-facto president of the United States, according to Asian secret society sources.

## Kp Message 4-29-21... "Major Inner (Internal) Changes"

Posted on April 30, 2021 by kauilapele https://kpblog.space/2021/04/30/kp-message-4-29-21-major-inner-internal-changes/

That's the sense I had today. And it feels like that is what is occurring in many.

I can no longer deal with "things", both inner and outer, in the way I have in the past. Multi level changes are happening, and must happen if each is to align with the next higher path. I've definitely got the message that my own personal Higher Path is going to be involving major transformations / shifts / rearrangements. I have a sense for a few of them, but much of it is unclear to me.

Often I'm finding myself very "challenged" by going through this house and (seemingly) deconstructing my parents lives, as reflected in the house, one room at a time, sometimes one box of "stuff" at a time.

I'm also feeling "challenged" by what I sometimes perceive as "suggestions" by others about how to go about it all. Do this, do that, be sure to save this, be sure to get this or that checked out by this expert or that expert. And that's when I say (to myself, usually)... "ENOUGH ALREADY!!"

I am giving myself the freedom to make MY own choices and follow MY own Guidance about it all. And often that Guidance tells me to "Give these things to this person, or that person, or just give them to Salvation (Army)."

Bottom line, I am the one who must travel this path, not others.

We'll see where this goes.

Not exactly sure how to link to this individual post, but here's his MeWe page: https://mewe.com/i/charliefreak. This has a lot of insights... And explains why the path is steady, but slow.

Read this post from GhostEzra carefully and know this...the Q Team is done with their Takedown of the Cabal, and virtually all of the mopping up has been completed as well...what is left, however, is the Declas...and this is proving for them to be very difficult as they do not want to cause Panic and rash decisions...there is no way for them to prevent huge despair in all those that laughed at President Trump and the Anon Movement...they have powerfully made their own beds and now they must lay in them...

But they are being cautious nonetheless...so, realize, that we are ALREADY within the Great Reveal of Truth, it is happening, NOW, it is just that it is happening as slowly as they can do it, to help as many of the deniers as possible...

So, RELAX, and know that this battle is over and that with the reveal must come NESARA, to give all those despondent souls some HOPE to cling to and some strength to carry on with...oh, and get ready, b/c once all of the Truth about the rigged Arizona Election comes out, there is going to be a LINE UP of States filing similar suites...

CF

Here is GhostEzra's article from today...note the inclusion of WWII...that's a very big umbrella, and everything is going to come to the surface...Everything!

"People often say, why not just jolt the sheep awake. The wakeup process is very serious and delicate. You are dealing with some big serious lies that will be uncovered. Nasa, Cia, Disney, WW2, 911, Antarctica, Vatican, Mockingbird Mossad Media, Dumbs, Central banks, Fed, Synagogue of Satan, Black Triangles, The earth, Royal blood lines, Frazzeldrip, Vril, Adrenochrome, and much more.

"Now imagine all this being downloaded all at once. People would be in padded rooms or cliff jumping. Yes, even conservatives who don't wear masks fall into this category.

"This has to be unwound delicately for your own sanity. It's coming out drip by drip. Nothing at this point can stop it.

"You may not understand the process, but you'll end up respecting and appreciating it greatly. The battle is won already, this is Operation Wakeup.

"Pay attention to everything, but don't let anything consume you. Everything matters, and is connected in some fashion.

"You can't tell people, you must show them. Decades of brainwashing is slowly being unwound."

If I was a member of the group of would-be God-Kings of Planet Earth in Davos right now I would be scared, very scared. That is because their long and meticulously planned use of a manufactured pandemic to start a Totalitarian World Government is imploding. Instead, they are about to face a War Crimes Tribunal that will make Nuremberg look like a kindergarten slap on the wrist.

These people have been trying very hard to kill a majority of the world's population for decades now and have already killed far more people than Adolf Hitler ever did. They have now lost control of most of the world's military power. This can be seen by the fact the people running the Joe Biden avatar "government" were denied entry into the Pentagon and now plan to run to NATO headquarters to seek protection. Protection that NATO cannot provide because nobody is willing to use nuclear weapons on their behalf, Pentagon, Russian FSB, French and British military sources say. <a href="https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-leaders-including-putin-and-netanyahu-want-biden-gone-and-trump-appears-be-part-plot" target="\_blank" rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="noopener">https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-rel="

They are also losing their grip on the global media and financial control grid. So, when the sleepwalking portion of the public wakes up to the cabal's horrific crimes, they won't be in a forgiving mood.

Here from a 1981 book by Bilderberger Jacques Attalli is an example of their mindset: <br/>
<br/

It appears the "dumb people," have already self-selected. <a href="http://www.madnesshub.com/2021/04/us-vaccination-sites-are-closing-from.html" target="\_blank" rel="noopener">http://www.madnesshub.com/2021/04/us-vaccination-sites-are-closing-from.html</a>

People who still follow orders and believe in the system are also suffering from cognitive dissonance as the contradictions in the official "pandemic" story begin to pile up. Here you can watch my sister, Martha Fulford, an expert on contagious diseases, telling mainstream Canadian TV that lockdowns make no sense because the areas with the toughest lockdowns also have the highest number of new cases. <a href="https://globalnews.ca/video/7748177/medical-expert-sound-alarm-over-collateral-damage-of-lockdowns" target="\_blank" rel="noopener">https://globalnews.ca/video/7748177/medical-expert-sound-alarm-over-collateral-damage-of-lockdowns</a>

The holes in the official story mean the red pill is just beginning to take effect on her and countless of her colleagues around the world. Soon they will all realize there are more "pandemic" cases in regions that locked down because that is where the authorities more actively participated in creating the scamdemic in the first place. <a href="https://www.sgtreport.com/2021/04/covid-cases-are-growing-the-most-in-locked-down-states/" target="\_blank" rel="noopener">https://www.sgtreport.com/2021/04/covid-cases-are-growing-the-most-in-locked-down-states/</a>

As examples of this government connivance here we have images showing the book "Covid-19 and the great reset," on the bookshelves of the Prime Ministers of Greece and Australia. <a href="https://www.rumormillnews.com/cgi-bin/forum.cgi?read=170674" target="\_blank" rel="noopener">https://www.rumormillnews.com/cgi-bin/forum.cgi?read=170674</a>

To underscore this, Japanese military intelligence sent us...

...screenshots of freedom of information requests sent to governments around the world asking for proof the "new virus" exists and answers saying no government or agency has such proof.

We shouldn't be surprised then to see "Covid-19" tests that have predetermined negative and positive results.

There is also a plethora of information coming out about all the nasty things that are happening to people who got vaccinated. Here is a small montage from various reports:

What all of this means is that the Davos Octagon crowed failed to reach the critical mass needed to cement their rule via a mass culling of the population, vaccine passports, and total human enslavement.

Attempts to foment civil war and martial law in the U.S. are also failing. We note the George Floyd psy-ops was wound down with a "guilty verdict," for the policeman who supposedly killed him. This did not stop provocateurs, many of them brought in from Eastern Europe, from trying to start race riots anyway. They have also started more shootings of innocent black people to try to keep fanning the flames of unrest. However, they are not succeeding.

Attempts to start a war with Russia/Iran/North Korea etc. are also failing big time. In the latest twist, it turns out "Dutch parliamentarians, like their British and Baltic colleagues, had a conversation via Zoom with a deep fake imitation of the chief of staff of the Russian opposition leader Alexei Navalny on Wednesday." It seems they are resorting to CG because they can't even find real Russian opposition to fan the flames of war. <a href="https://nltimes.nl/2021/04/24/dutch-mps-video-conference-deep-fake-imitation-navalnys-chief-staff" target="\_blank" rel="noopener">https://nltimes.nl/2021/04/24/dutch-mps-video-conference-deep-fake-imitation-navalnys-chief-staff</a>

Meanwhile, if you monitor the corporate propaganda media, you can see that day-by-day they are piling on UFO stories at an unprecedented rate. This is a clear sign the cabal is trying to dig out of their pandemic hole with space alien fears. <a href="https://www.vice.com/en/article/z3xewj/air-rates.">https://www.vice.com/en/article/z3xewj/air-rates.</a>

And now just on cue, we are getting videos of the aliens themselves.

Speaking about space aliens NASA (Not A Space Agency) is putting out ever more ridiculous press releases. They have been filming ever more mars stuff, apparently on Devon Island in the Arctic, and are even throwing in "mars helicopters." <a href="https://odysee.com/@ConspiracyReality:3/00089---Mars-Perseverance-Rover-Landing-Debunked:2" target="\_blank" rel="noopener">https://odysee.com/@ConspiracyReality:3/00089---Mars-Perseverance-Rover-Landing-Debunked:2</a><a href="https://odysee.com/@ConspiracyReality:3/00089---Mars-Perseverance-Rover-Landing-Debunked:2</a>

Now they put out a press release saying that for just \$2.89 billion or about one hundredth the cost of the original moon landings, they will send "the first woman" and the "first person of color" to the moon. I suppose they can do it cheaply now because they do not need to build expensive film sets, computer graphics will do the trick. It is a good guess the budget will be \$2.88 billion to line the pockets of NASA scammers and \$0.01 billion to sub-contract out the CGs to some computer game slave farm. <a href="https://www.nasa.gov/press-release/as-artemis-moves-forward-nasa-picks-spacex-to-land-next-americans-on-moon" target="\_blank" rel="noopener">https://www.nasa.gov/press-release/as-artemis-moves-forward-nasa-picks-spacex-to-land-next-americans-on-moon</a>

In a similar vein, can anybody identify the circle with a hole in the middle in the sky next to the erupting volcano in Japan? Is that some sort of CG artifact or what? <a href="https://www.youtube.com/watch?v=RGnIuXPup64&amp;t=81s" target="\_blank" rel="noopener">https://www.youtube.com/watch?v=RGnIuXPup64&amp;t=81s</a>

Speaking about fantasy and computer games, this chart alone tells you the U.S. stock market is now just a mass hallucination with no link to reality. <a href="https://cms.zerohedge.com/s3/files/inline-images/US-margin-debt-YOY-2021-04-17.png?itok=s-3h6fpI" target="\_blank" rel="noopener" data-featherlight="image">https://cms.zerohedge.com/s3/files/inline-images/U.S.-margin-debt-YOY-2021-04-17.png?itok=s-3h6fpI</a>

<img class="alignnone size-medium wp-image-77812" src="https://benjaminfulford.net/wp-content/uploads/2021/04/US-margin-debt-YOY-2021-04-17-300x243.png" sizes="(max-width: 300px) 100vw, 300px" srcset="https://benjaminfulford.net/wp-content/uploads/2021/04/US-margin-debt-YOY-2021-04-17-300x243.png 300w, https://benjaminfulford.net/wp-content/uploads/2021/04/US-margin-debt-YOY-2021-04-17.png 504w" alt="" width="300" height="243" />

The U.S. economy itself is also losing touch with reality, as more and more free money is pumped to the masses in a desperate attempt to stop them from rising up with pitchforks. Of course, all that free money means people have no incentive to do real work which is why a McDonalds in the U.S. has been forced to pay people \$50 just to come to a job interview. <a

href="https://www.zerohedge.com/markets/whatever-it-takes-tampa-mcdonalds-exposes-americas-systemic-labor-shortage-forced-pay" target=" blank"

rel="noopener">https://www.zerohedge.com/markets/whatever-it-takes-tampa-mcdonalds-exposes-americas-systemic-labor-shortage-forced-pay</a>

What all of this means the U.S. Corporate government is in its death throes. Even Corporate propaganda media are now saying Washington DC is going to become just another U.S. state. <a href="https://www.cbsnews.com/news/dc-statehood-bill-pases-house/" target="\_blank" rel="noopener">https://www.cbsnews.com/news/dc-statehood-bill-pases-house/</a>

In fact, we have now received confirmation from a senior European royal that the end of the U.S. corporation is just one symptom of the end of Rothschild rule over the West.

#### Here is what the source said:

<blockquote>"The sole Sovereign ownership of BIS Basel and all the world's banks have been transferred back into sovereign control and command. The Rothschilds are gone. MI6 managed to regain control. The great reset is being replaced with the great coming together."/blockquote>When we asked if a White Dragon Society envoy should go to Davos to discuss a transfer of power to humanity, the source said:

<blockquote>"There is a lot of mess to be cleaned up so assassins have to go in first. The assassins have to go in to break up and then we send in envoys as peacekeeping. Military stuff. Future peace talks mean we know it was a terrorist regime and now we have no more terrorism."
/blockquote>
Also as the secret war winds down the source said:

<br/> <blockquote>"We have to honor all of the Secret Service who died, many of whom will never be<br/> known. Some of our officers were exposed to horrific conditions. They all lost their lives and nobody<br/> knows."</br/>/blockquote>

Hopefully, the new generation of leadership in the West will end all the craziness and start talking common sense. Speaking about common sense, here is what Chinese leadership avatar Xi Jinping had to say last week:

<blockquote>"Global governance should reflect the evolving political and economic landscape in the world, conform to the historical trend of peace, development and win-win cooperation, and meet the practical needs in addressing global challenges." <a href="http://www.xinhuanet.com/english/2021-04/20/c\_139893671.htm" target="\_blank" rel="noopener">http://www.xinhuanet.com/english/2021-04/20/c\_139893671.htm</a></blockquote>

This is not as exciting as "the Russians are coming" or "Iran is about to nuke us" or "Those crazy North Koreans set off another missile," or "space invaders have come" etc. but it's definitely a lot more common sense. That is what the world needs right now.

Hopefully, negotiations in Switzerland due to take place in late May will finally lead to announcements

of a change for the better in how we run this beautiful but fragile planet we all share. Until then though, we must keep fighting.

# Kp Message 4-28-21... "Extreme Variants of Energies... Intend for the Higher Levels"

Yes. The title says it all.

I'm currently in horizontal mode, allowing body to "rest and adjust" to those variants.

There are many fear porn scenario items playing out, one being the CV-19 deal itself, another, the idea that, even though the CV may be harmless, the vax will "harm you" because vaxed people will be emitting spiked protein balls that will do this and that to your this or that. Or that "forced vax" is coming or even "passport vax".

I'm not in any of those fear porn camps.

Speaking with someone else today about all this, they are working with the Galactics to "recode" the dark intentions of the vaxes. And it's working. And we can all do this.

So I'm staying as much as possible in the Higher Light intentions, knowing that I am protected by (and with) my Angelic Guides.

We're going to pass through, and rise above, this phase.

David Wilcock 4-25-21 VIDEO... "Pyramid UFOs Officially Confirmed -- What Are They? And

## Why Now?"

Very much attuned with this as I watched it, live, yesterday. I have saved video as MP4 (500 MB) (https://tinyurl.com/ynb2cpmc) and audio as MP3 (102 MB) (https://tinyurl.com/29m5b468).

Here are my notes, including approximate times (hr:min):

Open disclosure is coming (limited, however), via Sen. Ted Cruz, for one.

0:55 Right around the corner, are "disruptions". DW recommends x22report.

Significant "negatives" events are being thwarted constantly.

Von Braun (via Carol Rosen) stated last card for cabal is "fake alien invasion"

1:10 ET disclosures are visible already.

1:20 2-21-21 Pentagon admits to testing UFO wreckage (e.g., metal with "memory").

1:25 Antigravity occurs in nature.

1:30 12-20 DJT put through \$2.3 trillion for CV relief, which includes requirement that 180 days to disclose all.

1:50 Ascension is happening NOW. (only need 51% STO (service to others))

2:05 It's about to get "crazy"... soon. Suggest having ONE MONTH's supplies.

TR3B appears to be "blimp".

2:10 Stealth blimp program = triangle... put four of these together and get tetrahedron = pyramid. DW mentions Santa Surfing video re: these craft over Pentagon

1i>2:15 Timeline starting from Dec., 2018, where cabal felt deeply threatened.

2:23 2009 was hovering "triangle" UFO over Kremlin, at same time as Obama supposed to announce existence of UFOs, where the deep state made the "Norway spiral" = black hole. Obama threatened to be taken in AF1 into that black hole and never seen again.

NOTE: severe echo for the first 2-3 minutes, which they correct.

<blockquote>DNI Ratcliffe announced that the "Big D" -- official Disclosure -- is going live as of June 1st, with a variety of confirmed new intel.

Even if this is a disappointment in the first round, it still represents an absolutely monumental change in everything we thought we knew about reality.

Shortly after this announcement, the media began producing saturation coverage of a film of pyramid-shaped UFOs, confirming their authenticity.

What in the world is going on here? Who is piloting these UFOs? Are they extraterrestrial in nature... or part of a secret project? There are so many unknowns. Are there things we are not seeing? If these pyramid UFOs are a threat, then we may have a BigProblem(TM).

I know. I know.

David Wilcock will reveal never-before-seen information suggesting the true nature of the UFOs -- and why this information might be emerging now.

Given that this story is about to impact everyone's life whether they are following it or not, David's new analysis is a must-see!</blockquote>

## **Grab Implodes**"

Posted on April 26, 2021 by kauilapele New weekly report from Ben.

"If I was a member of the group of would-be God-Kings of Planet Earth in Davos right now I would be scared, very scared. their long and meticulously planned use of a manufactured pandemic to start a Totalitarian World Government is imploding. Instead, they are about to face a War Crimes Tribunal that will make Nuremberg look like a kindergarten slap on the wrist.

"They are also losing their grip on the global media and financial control grid. So, when the sleepwalking portion of the public wakes up to the cabal's horrific crimes, they won't be in a forgiving mood.

"People who still follow orders and believe in the system are also suffering from cognitive dissonance as the contradictions in the official "pandemic" story begin to pile up... Soon they will all realize there are more "pandemic" cases in regions that locked down because that is where the authorities more actively participated in creating the scamdemic in the first place."

End of Empire for Davos Crowd as Pandemic Totalitarian Power Grab Implodes by Benjamin Fulford, April 26, 2021 https://benjaminfulford.net/2021/04/26/end-of-empire-for-davos-crowd-as-pandemic-totalitarian-power-grab-implodes/

If I was a member of the group of would-be God-Kings of Planet Earth in Davos right now I would be scared, very scared. That is because their long and meticulously planned use of a manufactured pandemic to start a Totalitarian World Government is imploding. Instead, they are about to face a War Crimes Tribunal that will make Nuremberg look like a kindergarten slap on the wrist.

These people have been trying very hard to kill a majority of the world's population for decades now and have already killed far more people than Adolf Hitler ever did. They have now lost control of most of the world's military power. This can be seen by the fact the people running the Joe Biden avatar "government" were denied entry into the Pentagon and now plan to run to NATO headquarters to seek protection. Protection that NATO cannot provide because nobody is willing to use nuclear weapons on their behalf, Pentagon, Russian FSB, French and British military sources say. https://thecommonsenseshow.com/agenda-21-conspiracy-economics/several-world-leaders-including-putin-and-netanyahu-want-biden-gone-and-trump-appears-be-part-plot

They are also losing their grip on the global media and financial control grid. So, when the sleepwalking portion of the public wakes up to the cabal's horrific crimes, they won't be in a forgiving mood.

Here from a 1981 book by Bilderberger Jacques Attalli is an example of their mindset:

"The future will be about finding a way to reduce the population...Of course, we will not be able to execute people or build camps. We get rid of them by making them believe it is for their own good... We will find or cause something, a pandemic targeting certain people, a real economic crisis or not, a virus affecting the old or the elderly, it doesn't matter, the weak and the fearful will succumb to it. The

stupid will believe in it and ask to be treated. We will have taken care of having panned the treatment, a treatment that will be the solution. The selection of idiots will therefore be done by itself: they will go to the slaughterhouse alone."

Now we have a news anchor confirming this plan with a Freudian slip where he says "almost four months into the vaccination effort providers are beginning to run out of people who want to be euthanized." http://82.221.129.208/euthanized.mp4

It appears the "dumb people," have already self-selected. http://www.madnesshub.com/2021/04/us-vaccination-sites-are-closing-from.html

People who still follow orders and believe in the system are also suffering from cognitive dissonance as the contradictions in the official "pandemic" story begin to pile up. Here you can watch my sister, Martha Fulford, an expert on contagious diseases, telling mainstream Canadian TV that lockdowns make no sense because the areas with the toughest lockdowns also have the highest number of new cases. https://globalnews.ca/video/7748177/medical-expert-sound-alarm-over-collateral-damage-of-lockdowns

The holes in the official story mean the red pill is just beginning to take effect on her and countless of her colleagues around the world. Soon they will all realize there are more "pandemic" cases in regions that locked down because that is where the authorities more actively participated in creating the scamdemic in the first place. https://www.sgtreport.com/2021/04/covid-cases-are-growing-the-most-in-locked-down-states/

As examples of this government connivance here we have images showing the book "Covid-19 and the great reset," on the bookshelves of the Prime Ministers of Greece and Australia. https://www.rumormillnews.com/cgi-bin/forum.cgi?read=170674

I'm sure this will be quite the update. Link to the DW video page is at the end.

https://www.ascensionmysteryschool.com/2021-video-series/

Greetings,

David here with a quick note and a special invite. Tomorrow is when our own Disclosure process takes yet another quantum leap!

Over the last few weeks, the mainstream media has been overwhelmingly discussing these pyramidshaped UFOs that hover silently in the air and slowly rotate.

The films of these craft are now being touted as "the best UFO footage ever seen," and the films were obtained by the military.

Are these flying triangles an actual sign of extraterrestrial intelligence, or is this something far more close to home?

I invite you to join me for a special live broadcast in a brand new series this Sunday, where I'm going to drop some important, never-before-seen inside intel...

Revealing compelling clues that these may be "Stealth Blimps," first developed in 1959, and patented as potential assets of the military industrial complex.

These dirigibles "just so happen" to be built in the shape of a flying triangle — and were made to be extremely large (1000+ feet) to carry larger payloads. You will see all the pictures, including images of a prototype found in a hangar many years later!

Insiders have revealed these are fearsome weapons platforms as well as aircraft carriers. They can do incredible damage to large areas of land, very quickly.

We need to be extremely vigilant now that these assets are being "Officially" acknowledged.

Are these dirigibles slated to create a "Useful" disruption for the usual suspects... which they now need more than ever?

I expect you will hear a variety of things that are new to you. It's extremely urgent for all people on earth to know about this technology... ASAP.

This knowledge is especially important for those of us who've been waking up into higher states of consciousness for a while.

Your light is needed, Master Luke! (More on the Hero's Journey later...)

In gratitude and light,

David Wilcock

P.S. Additional remarkable intel will be revealed this Sunday. If this ends up being our last show for the platform, it will be well worth it. Don't miss it! You can sign up free here... Only if you're ready to go down the rabbit hole!

## Kp Message 4-24-21... "Continuing to move forward and Upward"

[Remember to use this link to access text of all posts, at any time, even if the blog is "down": https://tinyurl.com/36a5nej8]

There are a lot of items that have been "clearing out" today, even though a few have involved some strong "emotional releases". All of these seem connected to the "ancient" history with the house in which I am residing (and "ancient" means anything from more than a couple years ago). Lots of "stuff" being released.

Now I *did* go to Viator Coffee today, and had a delightful mocha, well-crafted. Yes, wore a thin mask when I entered the building (they're in a type of "food court", but took it off and kept it off during the time I was there, and did not attach it to my ears when I picked up my beverage(s). Sometime, for a place like this, I just don't care to make a "challenge" to the whole (yes, ridiculous) wearing-a-mask protocols.

That's about it. More later.

Aloha, Kp

## It's All in Plain Sight With Jason Q & Charlie Ward

Go to about 11-12 minutes where Jason connects with messages via the Finger Lakes (NY), which apparently was visible on the MPLS police officer's hand (the one who was "convicted" on several counts of the GF "murder".

## Kp Message 4-24-21... "Seems like everything is 'down'"

Oh the struggles that have been occurring regarding the blog, and many other platforms. It seems both FB pages are down. My blog site is (once again) unreachable (yes, I know there's a solution, but right now I don't want to deal with it).

Energies on the planet are very chaotic, from my view, at least, and there are still so many times when I just want to can it all.

I started to set up an alternative blog (which I may eventually do), but two attempts kept bringing me into contact with a "Connect with Google" type message, and I just don't want to deal with that "Google connection BS". I want to say, "Google, FB, etc., just get the f— out of my face."

There's other options coming out right now, but my energies just have not felt like I want to connect with those yet.

So for now, I'm just going to make a document with text of all posts I write, and post the link to that document on the few social media channels I may or may not have access to.

With all of that, the blogging, the dealing with managing blog sites and "information from others overloads" and "I gotta post this and that and this

and that and this and that and this and that and this and that and this and that" that bounces around in my mind... I AM DONE WITH IT ALL.

I'm not going to even think about any of this anymore. Maybe the best way for me to get messages out there will be to keep making short videos, driving videos, and posting to YouTube (https://www.youtube.com/user/kauilapele), because that's what I ENJOY doing.

I'll be extremely blunt... I am currently SICK of blogging. Especially the breakdowns of the blog, posting every post to social media, but especially trying to keep up with all of the "stuff" that is going out there all the time.

So the deal is, I'll write a lightly formatted (and linked) document, post it to my storage location, and leave a note in the social media places I have access to. It will NOT be perfectly formatted, or with images, etc., etc., etc., etc. And I'll post all of it in one document, so the tinyurl link should not change.

Pardon for all of this right now, but I have a sense that it is FAR more important to take my life one moment at a time, and take care of the items at this house that are in front of me. Acceleration of all this seems to be "asked for".

Aloha, Kp
