

Our Ref: HDU/HMC – Year 10 Science

9<sup>th</sup> May 2024

Dear

### **GCSE Triple Science**

#### **Student:**

I would like to take this opportunity to make you aware of some science knowledge books which all GCSE Triple Science students will be given the opportunity to purchase.

All students will be given 3 knowledge 'retriever' books for Physics, Chemistry, and Biology along with a homework schedule. We have limited supply of these books, if any books are lost or misplaced, it will be necessary to purchase a replacement(s) on-line. Students will be expected to carry the books with them for all lessons - this will be checked by their teachers.

In addition to this, there will also be 3 knowledge 'organiser' books available for students to purchase through the school's online shop. We recommend these books to help the students review/revise what they have learnt and to assist with their homework. The books will cost £4.00 each, if bought individually, or £10.00 for all 3, when bought together.

To purchase the books, please log onto <https://www.ipayimpact.co.uk> with your Username and Password. From the Home Page, click on Accounts and select your child's name followed by 'parent shop' and select the books for purchase.

If you have any questions, please don't hesitate to contact me at the Academy.

Yours sincerely

Mr H Duvvasi  
Head of the Science Faculty
