Join us virtually for the 12th annual NextGen Summit to:

- Gain vital leadership, management and communication skills to advance your government career.
- Earn up to 30 Continuing Professional Education Credits.
- Network with 400+ govies from over 50 agencies.
- Learn and be inspired by government leaders.
- Get expert advice from career coaches in one-one-one appointments during Office Hours.
- Attend workshops breakout sessions that are mapped to OPM's executive core qualifications (ECQs).

All Summit attendees will also have access to the NextGen community which includes:

- Free access to online training sessions that offer continuing professional education (CPE) credits.
- Free resources like professional development bundles, career worksheets and toolkits.
- Dedicated private Facebook Group for members to connect, knowledge-share and leverage each other.
- A NextGen Workbook, mailed to your prior to the summit, so you can stay organized and keep all of your notes and resources in one place.
- Special NextGen swag, because of course, you'll want to show off to the world that you're an important member of the NextGen community!

Early Bird pricing is \$420 per person until June 30, 2021.

Please contact us if you'd like more information about group registration discounts or to see if you qualify for a discount code!
