

# Lauv - Paris in the Rain Lyrics

All I know is (ooh ooh ooh)  
We could go anywhere, we could do  
Anything, girl, whatever the mood we're in  
Yeah all I know is (ooh ooh ooh)  
Getting lost late at night, under stars  
Finding love standing right where we are, your lips

They pull me in the moment  
You and I alone and  
People may be watching, I don't mind

'Cause anywhere with you feels right  
Anywhere with you feels like  
Paris in the rain  
Paris in the rain  
We don't need a fancy town  
Or bottles that we can't pronounce  
'Cause anywhere, babe  
Is like Paris in the rain  
When I'm with you ooh ooh ooh  
When I'm with you ooh ooh ooh  
Paris in the rain  
Paris in the rain

I look at you now and I want this forever  
I might not deserve it but there's nothing better  
Don't know how I ever did it all without you  
My heart is about to, about to jump out of my chest  
Feelings they come and they go, that they do  
Feelings they come and they go, not with you

The late nights  
And the street lights  
And the people  
Look at me girl

And the whole world could stop

Anywhere with you feels right  
Anywhere with you feels like  
Paris in the rain  
Paris in the rain  
We don't need a fancy town  
Or bottles that we can't pronounce  
'Cause anywhere, babe  
Is like Paris in the rain  
When I'm with you ooh ooh  
When I'm with you ooh ooh  
Paris in the rain  
Paris in the rain

Oh  
Girl, when I'm not with you  
All I do is miss you  
So come and set the mood right  
Underneath the moonlight  
(Days in Paris  
Nights in Paris)  
Paint you with my eyes closed  
Wonder where the time goes  
(Yeah, isn't it obvious?  
Isn't it obvious?)  
So come and set the mood right  
Underneath the moonlight

'Cause anywhere with you feels right  
Anywhere with you feels like  
Paris in the rain  
Paris in the rain  
Walking down an empty street  
Puddles underneath our feet
