Thomas Trawick

SUGGESTED ACTION:

Conduct a Public Hearing to consider amendments to Articles 7, 8, 15, 18 and 23 of the Zoning Ordinance concerning Application Notification Requirements and Application Procedures.

FACTS AND ISSUES:

Based on previous discussions, there is a need to update the Zoning Ordinance to ensure the notification and application procedures are consistent across the majority of cases handled by the Planning & Zoning Department. This will improve communication with citizens and streamline our processes.
