Equality and Diversity

Dear Parent and Carers,

We shared our new PSHE scheme of work on our school website on Monday. The initial deadline for parents to view the scheme was today. However, we appreciate that some of you may not have had the opportunity to view this as of yet, therefore we will be extending the deadline to **Monday 29th March 3pm**.

You can access the scheme in two ways:

- 1- Either by clicking on the link on the notice board on the main page of the school website
- 2- Or by clicking on Key information – Curriculum – PSHE

Please take the time to listen to the introduction video and read the individual year group scheme of work. You can do this by clicking on the icon for each year group. The overviews tell you the topic title for example 'Relationships'. This is very broad and can be interpreted in different ways, therefore it is important you read the individual scheme of work for each year group as well as the accompanying resources.

Parent views

Thank you to all the parents who have taken the time to complete the parent view forms. So far, we have had the following responses:

Leigh Primary – 18

Alston Primary – 0

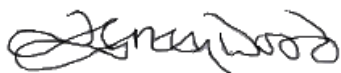

Nansen Primary – 8

Marlborough Primary – 1

Wyndcliffe Primary – 1

Parent views are very important to us and provide you with the opportunity to express your views regarding your child's education. We encourage you to complete the parent view form on the website once you have viewed all of the content.

Yours sincerely,
