

# Make an Impact with the Georgia College Advising Corps

The Georgia College Advising Corps seeks service-minded recent college graduates to work in high schools across Georgia to lead low-income, first-generation, and underrepresented students to college. We are looking for individuals from diverse backgrounds who are friendly, self-motivated, and passionate about our mission to join our team.

## Main Job Duties

- Meet 1:1 with high school students and families
- Plan college access events
- Collect and analyze data
- Attend regular trainings

## Benefits

- Living allowance (salary)
- AmeriCorps Segal Education Award (\$6,345)
- Health, dental, and vision insurance
- MacBook and other supplies

## Length of Service

- Start date: 07/01/2021
- Eleven month assignment
- 1-2 year position
