

# Blast to the Past

Who needs a little dose of quirky humor and escape from the fast pace of today?

**We invite you to participate in the Andy Griffith trivia Challenge.**

We have an Andy Griffith trivia game that will remind you of the silly antics of how small town life was portrayed on this American situation comedy. The show aired on CBS from October 3, 1960, to April 1, 1968, with a total of 249 half-hour episodes spanning eight seasons.

We will be talking about options - we can either meet as a group and watch the show together, enjoying some silly old-fashioned clean humor or we can watch independently and begin to learn some potential answers for trivia game night.

Don't let this activity keep you from enjoying the outdoors, create brief space to wind down an evening here or there with the characters of Mayberry.

Life is all about balance.
