

## How to approve YouTube videos

**All teachers have the ability to approve videos for their class.**

1. Go to [www.youtube.com](https://www.youtube.com)
2. Make sure you are sign in with your **@casdschools.org** email by going top right corner and clicking Sign In
3. Once you are signed in, you can go to the video that is currently being blocked and a blue bar under the video should appear. This will give you the option to “Approve”. **See picture below**
4. Once you approve the video your students should be able to view it. If not, the students may need to restart their machines a couple times to receive the new policy/permission.
