

Country Meadows PTO 2021-2022

Science Fair Information for Teachers & Staff

The Country Meadows Science Fair is open to all students grades 3-5. Applicants can either be an individual or group (up to 4 students). One submission form per group. Projects must be completed by the student(s). One medal and one white lab coat will be provided to each student who registers by the deadline.

The attached application must be completed and returned to the Country Meadows office no later than **Friday, April 22, 2022**. We ask teachers and staff to put completed registration forms in the envelope labeled “Science Fair” located in the PTO mailbox.

Students are required to attend the Science Fair on **Wednesday, May 11, 2022 from 5:30 PM-7:30 PM** in the Country Meadows cafeteria. We invite teachers and staff to attend the event and support their students.

Presentation: Each project will be given one tri-fold presentation board. Below is a sample layout. Boards will be available in the Country Meadows school office in April while supplies last. We discourage students from bringing food and expensive items to the science fair, so please take photos and post them on the board.
