MAYOR PATRICK BROWN

September 2019

Greetings from Mayor Patrick Brown

Dear Friends,

On behalf of the Members of Brampton City Council, I would like to extend best wishes to the participants and guests attending the Chinguacousy Garden Club and Horticultural Society's Annual Fall Flower Show. This is an opportunity for gardeners to showcase their flowers at this competition.

The City of Brampton has long been known as Flowertown. At the City of Brampton, we are committed to keeping our communities green and engaging with residents to provide horticultural resources. Since 1973, the Chinguacousy Garden Club and Horticultural Society have been hosting monthly meetings and organizing annual events for Brampton residents to enjoy.

Thank you to the many volunteers for making this event a great success. Let's keep Brampton beautiful.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick Brown', with a stylized flourish at the end.

Patrick Brown
Mayor

- 16) TOTAL POINTS AWARDED BASED ON THE FOLLOWING POINTS SYSTEM:
5 Points for each 1st award; 3 Points for each 2nd award 1 Point for each 3rd award.

Prizes will be awarded to Trophy Winners.

HOW DO I ENTER A FLOWER SHOW?

1. Read the Flower Show Rules carefully to see what is required for each class. If you have any questions, call our Convener or Co-Convener.
2. The night before the competition, or early in the morning, cut the flowers and immediately place in a bucket of warm water. Always cut one or two extra stems in case one gets damaged en route to the show.
3. Try to choose flowers that have fresh stamen and are roughly the same size with straight stems and fresh, undamaged foliage.
4. When entering a collection of cut flowers or herbs, choose several varieties, at least two of each, and list the varieties on a separate sheet and number them. The edge is often given to the exhibit with more varieties, provided all other requirements are met and the entry is in show condition.
5. Carefully groom and remove any damaged petals, foliage, bugs, pollen or spent blooms before exhibiting the specimen or houseplant.
6. Remember a bud showing colour is considered a bloom. So carefully disbud before exhibiting a single bloom.
7. Only self-foliage is permitted to be attached to the exhibit unless otherwise stated.

Enjoy the many things a flower show has to offer. You never know, your entry might just win a ribbon!

FLOWER SHOW RULES

1. The decision of the judges will be final.
 2. Decorative classes will be open to flower arrangers from Garden Clubs and Horticultural Societies. Cultural classes will be open to any Garden Club or Horticultural Society members. (Cut flowers, house plants, and vegetables).
 3. Exhibits will be received from 9:00 a.m. to 12:00 p.m., Saturday, September 14, 2019.
NO ENTRY PLACEMENT WILL BE PERMITTED AFTER 12:00 p.m.
LATE ENTRIES WILL BE PLACED ON AN EXHIBIT ONLY TABLE AND WILL NOT BE JUDGED.
 4. All entries must be removed from Showroom at 4:00 p.m. Saturday, September 14, 2019 after the announcement of Show closing.
 5. The Garden Club will NOT be responsible for the property of exhibitors.
 6. No awards will be made to mediocre exhibits, even though they may be the only ones entered.
 7. Exhibitors are permitted to make only one entry in any class, except where noted.
 8. Exhibitors should place entries in section specified and leave, making room for the next person to place entries.
-

9. Exhibitors are responsible for the correctness of their Entry Cards. Cards are supplied by the club, when entries are being received, or at a previous meeting. (suggestion: use address labels)
 10. Once the judging has commenced, no exhibitor may change or move their exhibit. Exhibits may, however, be moved carefully after judging to give a more pleasing aspect to the show.
 11. Containers for entries will be provided, except for small entries. Bowls for floating begonias and fully open roses will be provided. For many stemmed entries (e.g. pansies, violas, nasturtiums, sweet peas) exhibitor to provide container.
 12. "Bloom" is an individual flower, one to a stem, with no sign of bud. "Spray" is the portion of plant, or a plant's lateral or side shoots, with a number of flowers on one stem. More than one must be open. "Stalk" or "Stem" is a portion of plant bearing one or more flowers and buds. A bud showing colour must be considered a bloom.
 13. Specimen bloom(s) must be grown by exhibitor.
 14. Cultural flowers must be shown with their own FOLIAGE.
 15. Judges may use their own discretion if, to simplify judging, a class needs to be divided. (i.e. if class is too large and there are three of one variety).
 16. Vegetables and fruits must be grown by exhibitor.
 17. When "three" is stated, no more and no less may be exhibited.
 18. All pots must be clean, with exhibitor's name on bottom of pot. No restrictions on supports for plants.
 19. Potted plants MUST have been in possession of the exhibitor for at least TWO MONTHS prior to Show.
 20. Entrants must supply own containers for decorative designs.
 21. No exhibits with pests or signs of infestation are permitted. Please inspect your entries before placing them
-

RULES FOR THE DECORATIVE CLASS

1. Decorative classes are open to flower-arranging members of the Chinguacousy Garden Club and other horticultural societies.

2. Judging standards for decorative classes are:

(Regular Size)

Design Elements and Principles	35
Conformity to Theme and Class Title	25
Creativity	20
Distinction/Condition	20
TOTAL	100

(Small and Miniature)

Design Elements and Principles	40
Conformity to Theme and Class Title	20
Creativity	25
Distinction/Condition	15
TOTAL	100

3. Fresh material only (unless otherwise stated) is to be used and may be obtained from any source. Natural materials such as decorative foliage, twigs, driftwood, evergreens, moss, rocks, grasses and flowering shrubs may be used as an adjunct and may be obtained from any source. All flower designs are to be the work of the exhibitor. The use of artificial material will not be permitted (only exception a bunch of plastic grapes). Accessories are permitted to complete the design or develop the theme but must be in scale. No cut fruit is allowed, only whole where specified.
4. Niches will be supplied by the Club for Decorative Classes where stated. Niche size is important when planning your design; your tallest branch should be within an inch or two of top of niche. Niche size is: height 31" x 22" wide.
5. A Novice is a beginner – one who has not yet won three 1st place ribbons at our Show or any other Major Show, i.e. Canada Blooms, Successful Gardening, etc. Novice should put a large "N" on front of entry card.

CARE OF CUT FLOWERS AND FOLIAGE

The terms "hardening" and "conditioning" refer to the care needed so that cut stem can fill up with water and prevent wilting; store in cool, dark, draft-free place.

GENERAL RULES

- Cut stem on a slant for better water intake, preferably underwater.
- Place in pail of tepid water IMMEDIATELY (take pail to garden).
- Soak as much length of stem as possible, several hours or overnight.
- If hard stem, split upward of 1". If woody, (i.e. mums) scrape 2" at bottom, slit and hammer.
- If hollow stem (delph.) burn ends with flame to keep sap in, or hold stem in boiling water 1 minute.

While in garden, dip stem in sand until you can treat. Cover bloom and foliage with bag when putting stem in boiling water.

- For decorative entries already conditioned, just re-cut stems.
- To carry flowers to Show, use pail with 1" water.
- Blooms that shatter easily are best transported in long cardboard box or picnic cooler, wrap stem in wet towel, rest necks on a cardboard roll.

SECTION 1 – DECORATIVE

THEME: **Climate Change**

(Niche supplied—height 31" x 22" wide)

Fresh material unless otherwise stated. Dyed material only allowed if specified,

Class

1. Wildfire - a design using red, orange and yellow flowers
 2. Wind - a design showing movement
 3. Flood - a water design
 4. Rainforest - a green design
 5. Chaos - own interpretation. Accessories allowed.
 6. Novice – any of the above but one per Class
 7. Heat - a small Design under 10" in any direction-Fresh (using red)
 8. Drought - small Design under 10" in any direction - Dried
 9. Heat - a Miniature design - mini under 5" – Fresh (using red)
 10. Drought a Miniature design - mini under 5" - Dried
-

SECTION 2 – CULTURAL

Cultural sections (cut flowers, houseplants and vegetables) are open to horticultural club members. Please remember to **CONDITION** Flowers and to display them with **SOME OF THEIR OWN FOLIAGE**, which may be separate. Where sufficient entries, a class may be subdivided at the discretion of the Show Convenor and/or Judge. Name variety where possible. “Any colour” (singular) refers to all the same colour. “Any colours” (plural) refers to mixed colours if desired. NOTE: to simplify judging – some categories have been divided into **a AND **b. Exhibitors are permitted to make only one entry in any class except where noted.

2A ANNUALS

Class

12. Amaranthus - large – 1 stem
13. Aster – 1 cultivar – 3 stems
14. Celosia – 1 cultivar – 3 stems
15. Cleome – 1 stem
16. Geranium – 1 stem (2 entries per person if different cultivars)
17. Grasses – 1 cultivar – 3 stems
18. Marigold, over 7.5 cm (3”), 1 cultivar – 3 blooms with foliage
19. Marigold, 2.5 - 7.5 cm (1 - 3”), 1 cultivar – 3 blooms with foliage (own container)
20. Petunia, single, 1 cultivar – 3 sprays
21. Petunia, semi-double or double, 1 cultivar – 3 sprays
22. Salvia, 1 cultivar – 5 stems
23. Snapdragon, dwarf type, 1 cultivar – 3 stems
24. Snapdragon, rocket type – 1 stem
25. Sunflower – 1 stem
26. Zinnia – any type, 1 cultivar – 3 stems
27. Any other annual not on schedule-- 4 entries per person allowed
 - a) Large - 1 bloom, spray or stem
 - b) Small -1 cultivar -3 stems
28. Vase of garden flowers and foliage arranged in a pleasing manner (annuals or perennials). A vase is a container that is taller than it is wide (preferably not a clear vase).

2B HARDY PERENNIALS

Class

29. Ferns, any variety, 1 frond – 3 entries if different cultivars
 30. Heuchera, 3 different cultivars – 1 leaf for each cultivars
 - 31a. Hosta, 3 different cultivars – 3 leaves
 - 31b. Hosta Mini (less than 3 inch leaf size) – 1 leaf
 - 32a. Hibiscus – 1 stem – Large Flower
 - 32b. Hibiscus – 1 stem – Small Flower – i.e. Rose of Sharon
 33. Hydrangea – 1 stem
 34. Grasses – 1 cultivar – 3 stems. 2 entries if different cultivars
 35. Phlox paniculata – 1 stem
 36. Sedum – 1 stem, 3 entries allowed if different cultivars
-

- 37. Any other perennial not on schedule: 4 entries per person allowed
 - a) large - 1 bloom, spray or stem
 - b) small - 1 cultivar – 3 stems
- 38. Flowering vine:
 - a) 1 bloom
 - b) 1 spray - not to exceed 24” from top of the vase
- 39. Flowering shrub – 1 branch not to exceed 24” from the top of the vase
- 40. Berried branch – not to exceed 24” from the top of the vase

2C FLOWERING BULBS, CORMS, RHIZOMES AND TUBERS

Class

- 41. Begonia, tuberous, 1 bloom with leaf to float in a Club bowl
- 42. Canna – 1 stem (include leaf)
- 43. Dahlia – 1 cultivar –
 - a) large (over 15cm) - 1 stem
 - b) small – 3 stems
- 44. Gladiolus, solid coloured – 1 spike
- 45. Gladiolus, multi-coloured – 1 spike
- 46. Any other flowering bulb, corm, rhizome or tuber – 1 stem – two entries if different types.

2D Native Plants

Class

- 47. Aster – 1 stem
- 48. Rudbeckia:
 - a) large - 1 stem
 - b) multi blooms - 1 stem
- 49. Liatris- Blazing Star
- 50. Coreopsis -Tickseed
- 51. Golden Rod
- 52. Joe Pye Weed
- 53. Native Sunflower (Helianthus)

SOURCE: Credit Valley Conservation Authority booklet entitled “Native Plants for Pollinators” which is also online at their website (<https://cvc.ca/>).

SECTION 3 – ROSES

(Give name if possible) FOLIAGE MUST BE ATTACHED (except #63)

Class

54. Hybrid Tea–1 bloom– red
55. Hybrid Tea – 1 bloom - any other colours (except blue)
56. Hybrid Tea – 1 bloom - fragrant - judged 60% for fragrance, 40% for quality of rose
57. Hybrid Tea – 3 blooms – mixed colours
58. Floribunda – 1 spray – 2 entries per person if different cultivars
59. Austin – 1 stem, any colour – 2 entries per person if different cultivars
60. Blue, Mauve or Lavender – any variety except miniatures, 1 bloom/spray – 2 entries if different cultivars
61. Climber – 1 spray
62. a) Shrub-- (i) 1 bloom (ii) 1 spray
b) Explorer – (i) 1 bloom (ii) 1 spray
c) Any other – (i) 1 bloom (ii) 1 spray
63. Miniatures - 1 bloom or 1 spray-own container
64. 1 fully open rose with foliage, to float in Club bowl
65. Rose bouquet in your container – 5 or more roses, mixed colours, at least 3 cultivars

“Bloom” is an individual flower, one to a stem, with no sign of bud. “Spray” is the portion of plant, or a plant’s lateral or side shoots, with a number of flowers on one stem. More than one must be open. “Stalk” or “Stem” is a portion of plant bearing one or more flowers and buds. A bud showing colour must be considered a bloom.

SECTION 4 – PHOTOGRAPHY

Colour photo, mounted on white cardboard leaving 1” margin all around; maximum size of print 5” x 7”. Prints must be taken during the last 24 months; no name or title of any kind is permitted on the print; in the event that fewer than three entries are submitted for a Class, the prize (s) awarded will be at the Judge’s discretion; photos must be taken by the Exhibitor; entries are limited to ONE per person in each class.) An entry card must be filled in for each entry. Entries will be judged for horticultural content and interest.

Class

66. Fire - where possible show red, yellow and orange
67. Wind - showing movement
68. Rain - own interpretation
69. Pollinators in the Garden
70. Field of Dreams (crop)

SECTION 5 – AFRICAN VIOLETS (Single Crown)

(To be in your possession minimum 2 months)

Classes will be subdivided if sufficient entries. 3 entries per person If different cultivars

Class

71. Standard African Violet Single Crown – any colour, solid green foliage
72. Miniature or Semi-Miniature African Violet single crown, any colour
73. Multi-crown African Violet any variety.

(INFECTED OR INFESTED HOUSEPLANTS NOT ACCEPTED IN SHOW)

(Pot size should be less than 10 inch diameter at the top. To be in your possession minimum 2 months)

A houseplant is grown indoors throughout the year. Specify growing location on entry card.)

Class

- 74. Cactus – 2 entries if different types (no grafts)
- 75. Orchid in Bloom
- 76. Ornamental bearing houseplant (orange, pepper, eggplant etc.)
- 77. Succulent – 1 entry
- 78. Houseplant in bloom – 2 entries if different types
- 79. Houseplant grown for foliage–2 entries if different types

SECTION 6B – PATIO POTS

(pot size should be less than 12 inch diameter at the top)

A patio pot is a planting put in a pot in the spring and grown outdoors through the summer.

Class

- 80. Begonia in Bloom
- 81. Coleus
- 82.. Geranium
- 83. Sunshine Impatiens in Bloom
- 84. Mixed Planter

SECTION 7 – FRUITS AND VEGETABLES

(Exhibitor to provide own paper, plastic or china plates, basket or tray to be used for display)

Class

- 85. Fruits – 5 large (e.g. apple) 3 entries per person if different cultivars
 - 86. Fruits – 3 entries per person if different cultivars
 - a) Small (plum, crabapple, etc.)
 - b) Berries
 - 87. Beans – bush, 5 on a small plate
 - 88. Beans – pole, 5 on a small plate
 - 89. Carrots – 5 on a small plate
 - 90. Collection of different vegetables, pleasing display on tray or basket
 - 91. Herbs - pleasing display of cut herbs in water
 - 92. Squash
 - 92. Sunflower seed head – 1 large
 - 93. Tomatoes - one large (more than 3” diameter) – stem off or on
 - 94. Tomatoes – medium 3 (under 3” diameter) – stem off or on
 - 95. Tomatoes – novelty 3 medium or 1 large (unusual colours) stem off or on
 - 96. Tomatoes – red cherry or yellow pear – 1 spray
 - 97. Any other vegetable - 3 entries per person if different cultivars
