Students should bring the following items with them for testing. These items will not be provided.

- **2 - #2 sharpened wooden pencils with erasers**
- **Calculator**

Testing will end at approximately **12:00 p.m.** Students should be ready for pick-up at that time. Students will exit the building and find you in the parking lot. Again, parents please remain in your vehicles and do not enter the building. Please try to car pool as there are a variety of academic and athletic events taking place and parking will be limited. Students with testing accommodations may require additional time and will be finished once testing is completed.

Students should make every effort to attend this testing date as there will be no make-up exam available.
