How to Drink like Jackie O

May 13, 2016 May 13, 2016 Hellz Kitten Femme Fatale Friday

Being a *femme fatale* can be exhausting. Between keeping track of all the men whose downfalls you're plotting and trying to figure out how to bury the bodies without ruining your manicure, a girl sometimes just needs to kick up her stilettos and have a drink at the end of a long week.

But that raises the eternal question: "What should I drink?" Perhaps you're bored with champagne or have had one too many run-ins with the [Green Fairy](#). Or maybe you just feel like consuming a drink named after yourself. In that case, here are some suggestions.

Cheers, darling

This recipe bills itself as fruity like punch. Supposedly, it goes down really smooth and before you know it, you're dead. Or at least passed out.

Sounds intriguing!

Femme Fatale

1/2 part Southern Comfort

1/2 part Vodka
1/2 part Amaretto
1/2 part Grand Marnier
dash of Grenadine
3 parts Pineapple juice
top up Orange juice

Put a scoop of ice into your shaker then add ingredients as listed. Shake then pour into a highball glass with ice garnish with a cherry, lemon and various paraphernalia. For a color variation make and pour the drink, then add the grenadine afterwards.

Recipe: Cocktail: UK

This next version is a little more classy, for you upscale *femmes*. According to the story, Jackie O. invented it at a fancy Cambodian hotel in 1967. I'm sure we all have a story like that. But it is pretty classy in its simplicity. And everyone has *crème de fraise* and Champagne on hand, right?

You wouldn't serve Jackie
beer out of a can

Raffles Hotel Le Royal's Femme Fatale

1/4 oz. Crème de Fraise
Dash of cognac
4-4 oz. champagne

Pour the Crème de Fraise and cognac into a 5-ounce cocktail glass. Finish with champagne. Enjoy immediately.

Recipe: Raffles Hotel Le Royal via Andrew Harper's Summer Cocktail Series

This labor-intensive version is for those of you who like to go south of the border. It's made from [cachaça](#), a Brazilian liqueur and it sounds like the perfect drink for *not* watching the Rio Olympics this summer.

Brazil's finest

Dirty Habit's Femme Fatale

1 1/2 oz. cachaça
1/2 oz. Ancho Reyes chile liqueur
3/4 oz. fresh lime juice
1/2 oz. coconut syrup

Glass: Collins

Garnish: lime wheel

Combine all ingredients and shake with ice. Strain into an ice-filled glass and garnish.

Coconut Syrup

20 oz. coconut purée

20 oz. cane sugar

5 1/3 oz. hot water

1 tsp. kosher salt

1 tsp. xanthan gum (as a thickener)

Add the sugar to a stockpot over medium-high heat to slightly caramelize (taking caution to not let it burn). Reduce the heat to medium and whisk in the coconut purée, then the hot water and salt. Add xanthan gum by pouring through a basket strainer to disperse properly (xanthan can clump up if poured in all at once). Let simmer for about 15 minutes; remove from heat and let cool to room temperature before bottling. Keep refrigerated for up to 1 week.

[Recipe: Imbibe Magazine via Dirty Habit, San Francisco](#)

There you have it, friends. Three cocktails that promise, in the best *femme fatale* fashion, to lure you in, then F you up. Do you prefer your poison punchy, classy or with a Brazilian kick? Have you tried any of these? Let us know!

Happy Friday!

Costume Crunch Time

Is your idea of a creative Halloween costume a pair of cat ears and calling it a day? Do you want to impress the hottie in accounting without looking like you

tried too hard? Well, *LFF* has you covered. These last-minute, low-rent ideas will make it look like you didn't put in any effort at all! Read on to make Martha Stewart jealous.

1. Uber Pool

What you need:

- [Small Kiddie Pool](#)
- Black Marker
- Duct Tape
- Knife

What to do:

Make slits in bottom of pool with knife. Use marker to write "UBER" all over it. Run duct tape through slits and secure pool around your body. If it's an inflatable pool, you'll probably need extra duct tape to plug the holes you just made. (Optional upgrade: Instead of writing UBER, print out UBER logo and tape it around pool. Whoa - mind blown!)

2. Hamilton Lottery

What you need:

- [Hamilton T-shirt](#)
- Old scratch tickets
- Hot Glue

What to do:

Glue scratch tickets all over t-shirt. Wear t-shirt.

3. Hamilton Lottery Winner

What you need:

- White Sheet

What to do:

Put the white sheet over your head and pretend you're a ghost. Everyone knows there's no such thing as ghosts and everyone knows there's no such thing as Hamilton Lottery Winners.

4. Boozy Brunch

What you need:

- Black Pants and Top
- Three or four empty splits of Prosecco
(BONUS: you get to drink the Prosecco!)
- [Plastic bacon and eggs](#), [donuts](#), [bagels](#) or [waffles](#) (savory, sweet, or [both](#)? You make the call!)
- Hot glue

What to do:

Artfully glue everything to your clothes.

5. Trump's Twitter Feed

What you need:

- Poster board
- Pictures of Donald Trump
- Marker
- Tape
- Scissors
- String

What to do:

Write a bunch of crazy sh*t on the poster board. Stick Trump's head next to it so it looks like a Twitter avatar. Make two holes in poster board, loop string through holes. Secure poster board around neck. Hope no one punches you.

6. Binge Watch

What you need:

- Several of the boxed DVD sets you shoved in the back of your closet in 2005 because you didn't know what to do with them and you're not allowed to put them on the curb for pickup.
- Black pants and top
- White poster board
- Black marker
- Scissors
- Hot glue

What to do:

clock face on it. Stick it to your stomach. Glue individual DVDs onto clothes.

There you have it, friends. Six genius ideas that guarantee you'll be making out on the dance floor before you can finish your first [pumpkintini](#).

If you need a place to wear these amazing creations, it just happens that we are having a Halloween party on Saturday! Come in costume and you could win a prize! (You're totally allowed to wear a real costume.)

SPARKLE, Neely, SPARKLE

[October 5, 2016 Hellz Kitten Special Events](#)

Get those dolls, Neely

Hello friends and lovers.

We *femmes* are big on inner sparkle, but what enhances inner sparkle more than [silky freshwater](#)

[pearls](#) or a [sparkly topaz cocktail ring](#)? How about a sensuous [gold and onyx cuff bracelet](#)? Well, don't worry, because we've got you covered. On 10/26, LFF is teaming up with jewelry designer [Patty Tobin](#) for a special evening that celebrates all things glittery and fun.

Toute les femmes will gather our sequins and boas and head down to Patty's charming Chelsea boutique for a burlesque-themed jewelry event to raise money for a veeerrrrrrrry good cause: [Pets for Vets/NYC-LI](#). This amazing organization matches up shelter dogs with wounded military vets. What better way to spend an evening?

In addition to donating a percentage of her sales to Pets for Vets, Patty will also be raffling off a piece of jewelry (estimated worth ~\$300), proceeds of which will also go to the org. OMG, right?

Meanwhile, *Les Femmes* will be on hand to show you step-by-step how we burlesque and to give you a sneak peak of our [sexy, scary-in-a-good-way Halloween show](#). There will also be other special surprises that you will just have to show up to see.

There will be bubbly of course, and other light refreshments. There is no cover charge, but space is limited, so be sure to reserve your spot ASAP. I'm telling you, this is going to be the event of the season. Well, at least until our [Halloween show](#) on **Sat. 10/29**.

Click [here](#) for details. Hope you can make it!

Hellz Corner: Seven Sins To Commit Before Midnight

[February 9, 2016](#)[March 7, 2016](#) [Hellz Kitten](#) [Hellz Corner](#)

Don't throw your life away like so many beads on a NOLA tree.

Today is [Mardi Gras](#), the culmination of Carnival season, which means it's your last chance to indulge your most decadent desires before that buzzkill [Lent](#) shows up to ruin the party. A true miscreant would have been working on this since early January, but for the rest of you,

time's a'ticking. If you want to make sure you've gotten all the debauchery out of your system, you'd better commit ALL the deadly sins before the day is over.

Are you afraid this is too lofty a goal for a high-minded, law-abiding citizen like yourself? Well, fear not. *Les Femmes Fatales* have prepared this handy guide for you.

Envy: Your friends have romantic plans for Valentine's weekend, but they don't include you. You could be envious, which isn't a bad start, but why not turn the tables by buying [tickets](#) to our Saturday night show, [Love Me If You Dare](#). By doing so, you will become the envy of those schmoopy friends and of course, your entire social circle. Spread the sin around. Envy for everyone!

Gluttony: They don't call it "Fat Tuesday" for nothing. Screw that gluten-free diet, today's the day to order an appetizer, entrée AND dessert for all three

meals. And we have the perfect dessert for you: candy. Not just one kind, but two: [Freaky Candy](#) and [Candy Applebottom](#). Freaky or Sweet, these lovely ladies will satisfy your cravings this Saturday night. Why have one dessert when you can have two? Buy your tickets today to get both. It is Fat Tuesday, after all.

Freaky?

Sweet? Both!

Greed: You could continue hoarding candy or you could kick it up a notch. Don't just buy one [ticket](#) to [Love Me If You Dare](#), buy at least five. Or

even better – why not buy out the whole house? How awesome would it be to spread out with your closest friends and watch the show in comfort away from the riff-raff? Think of all the personal attention you'll get, not to mention all the extra alcohol.

Lust: This one seems pretty obvious. Do I really need to point to our [gallery](#) of foxy fearless *femmes* (and some *hommes*)? Click this [link](#) and prepare to be titillated.

Pride: Now that you've bought [tickets](#) to the [most awesome show ever](#), it's time to tell the world. Post it on [Facebook](#), [Twitter](#), [Instagram](#). Hell, put it on LinkedIn. Your boss and prospective future employers need to know how freaking cool you are.

Sloth: Okay, so you've been through the wringer today. You've made all your friends jealous, you've pigged out on candy, you've swooned over our sexy sirens, now you're exhausted. It's okay. Lie on the couch and relax. Put on Netflix. And when you get bored with [Making a Murderer](#), head to our [YouTube channel](#) and watch *les femmes* in action. Prime your pump for Saturday night. But don't prime it too hard. You need a rest.

Wrath: It's entirely possible you are angry at this blatant attempt to make you buy tickets to [Love Me If You Dare](#), in which case, our work is done. If not, think for one minute how mad you will be if all your friends go to the show and you don't. The [FOMO](#) struggle is real, y'all. Need I say more?

So there you have it. As of this writing, you have approximately eight more hours (east coast time) until midnight. Get sinning!

XOXO,
HK

Love me if you Dare. At the *Triad THIS SATURDAY, 9 PM*. Hosted by *Jule Britannia*. Featuring: *Pandora and Candy Applebottom*. Special Guests: *Freaky Candy and Vixen Valentine*. With: *Molly Manhattan, Ruby Mechant, Spicy L'amour, Munroe Lilly, Jack of Hearts, Luna Rapture, Silky Bliss, Shimmy LeCoeur and Hellz Kitten*. And more! Don't miss out!
