Palmetto Shirt Co was founded in 2001 with the purpose of providing unique designs that were specific to our state and our state universities. At the time, you could only find standard text designs from all of the national brands. It was our purpose to design specifically for the USC or Clemson fan and fans of the state flag.

Through the years we have grown from servicing a few retailers to servicing the entire state. We've printed National Championship apparel for both state universities and are looking forward to future championships. Our designs can be seen from the Upstate through the Midlands and into the Low Country.

When you buy a Palmetto Shirt Company product, you know you're supporting the people of this state. We're for the Palmetto State,
by the Palmetto State.
