OUR MISSION

WorldCrafts, a compassion ministry of WMU®, develops sustainable, fair-trade businesses among impoverished people around the world. Our vision is to offer an income with dignity and the hope of everlasting life to every person on earth.

We are **committed** to our in-country partners and artisan groups. Our aim is to develop viable employment for women and men in poverty. Why? So women no longer need to turn to prostitution for their next meal. So fathers and mothers can provide education and nutrition to their children.

We are **holistic**. Our artisan groups seek to meet the physical, emotional, and spiritual needs of their workers. Men and women receive job training and enjoy comfort, camaraderie, friendship, and purpose, perhaps for the first time. Individuals and families discover what it means to live an abundant life.

We are **fair trade**. WorldCrafts partners with artisan leaders around the globe who abide by fair trade principles to ensure that the products purchased are produced ethically in a safe environment where artisans receive fair and prompt wages.

WORLD CRAFTS™

Committed. Holistic. Fair Trade.
