Accelerated Death Benefit option is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered terminally ill or chronically ill. You may wish to seek professional tax advice before exercising this option. The Plan Agent is Virginia State Bar Members' Insurance Center, 9954 Mayland Drive, Suite 2200, Richmond, VA 23233. Group Insurance coverage is issued by The Prudential Insurance Company of America, a Prudential Financial company, Newark, NJ. The Booklet-Certificate contains all details, including any policy exclusions, limitations, and restrictions, which may apply. Contract Series: 83500

ABOUT THE SURVEY

The annual survey of “Virginia’s Largest Law Firms” is based on the number of Virginia-licensed lawyers practicing from an office located within the commonwealth.

This winter, using email, follow-up telephone calls and website research, we put together current information from all the firms that appeared in the 2022 survey. Many firms responded with their 2023 data.

All qualifying law firms in the survey were provided a basic listing in this booklet. A number of law firms took the opportunity to purchase an enhanced listing in the survey booklet, adding information such as firm logo, firm website address, clients, firm contacts and areas of practice.

In compiling the 2023 survey of

“Virginia’s Largest Law Firms,” we have made every effort to provide complete and accurate information as of Jan. 1, 2023. If we have inadvertently left out a firm, or if the information listed is not correct, please contact:

Lifestyle benefits: Cooper Hurley Injury Lawyers offers employees competitive salaries, health insurance, profit-sharing 401(k), and flexible scheduling. Flexible

scheduling was implemented in an effort to make it easier for employees to make personal appointments or family obligations. The firm also pays for employees to attend professional conferences and training.

Diversity initiatives: The firm strives to be a diverse workplace where people from all walks of life feel comfortable and appreciated. The firm ensures that we interview a variety of people for each open position and know that different backgrounds lead us to better serving clients.

Community involvement: Cooper Hurley Injury Lawyers donated over \$100,000 to our local community through donations to charitable groups, schools, and local businesses. "Vote For a Cause" and "Vote For a School" in 2022 are contests where community members can vote for their preferred organizations and schools. The winners receive donations from \$2,000-\$10,000 from the firm.

Significant changes in 2022: The firm added new attorneys, new staff, and took over more office space to accommodate our recent growth. Like other businesses, we became more adept at utilizing digital tools to best serve our clients and employees. The firm asked staff members to pick a local charitable organization important to them and donated \$250 to each.
