Offense: VIOL PROTECTIVE ORDER ISSUED
BASED ON SEX OFF

Serial No. 20-E1189

Complainant: CASEY GRAY

Address: 2418 Stoner
Odessa TX 99999

Alsbrooks, Donald	<p>VIOLATION OF PROTECTIVE ORDER/HARRASSMENT 20-E1189/006987-20 CASEY GRAY 2418 STONER ROAD 03/05/2020 SGT. D. ALSBROOKS, 972</p> <p>At approximately 2120 hrs. on 03/05/2020 I, Sgt. D. Alsbrooks met with the complainant, identified as Gray, Casey (w/m DOB: [REDACTED]) residing at 2418 Stoner Road, phone 432/212-6049 in regards to Violation of a Protective Order/Harassment.</p> <p>Casey provided me with approximately 40 pages of documentation regarding the matter. He stated he is being harassed by the Respondent in an Order of Protection in which he is the Protected Person. The case is filed in the Circuit Court of Walworth County, Wisconsin.</p> <p>Casey stated since he filed for candidacy for the 11th District of Texas, he has been harassed by Victor Brian Hutcherson. He further stated Hutcherson is making posts on Facebook about him and contacting him through Facebook as well as having others contact him, which is in violation of the Protective Order.</p> <p>I reviewed the documents provided by Casey, which include a "Witness Statement" from Casey regarding the matter, a signed copy of an Order of Protection filed in Walworth County, Wisconsin, Circuit Court on 06/10/2019, Case # 2018 CV 754, along with numerous pages of printouts from Facebook.</p> <p>While reviewing the Facebook printouts, I observed a page where a subject who is identified as Brian Hutch, sent a message to a Facebook Group titled "Drain the Swamp in Odessa" (page 8) and a follow up to that on page 9, which includes a photograph of Casey Gray, as well as page 10.</p> <p>After reviewing the documents provided, I can see where Brian Hutch "tags" Casey Gray, (page 16) in regards to an order in Wisconsin. I can also see where Gray addresses the allegations made against him by Brian Hutch (page 12 and 16). There is also back and forth banter between Casey, Brian and others throughout the other pages. Casey has identified two of the people as Laura Crane and possibly Troy Crystal Walker as being contacted by Hutch and harassing him at Hutch's request.</p> <p>I attempted to verify the Order of Protection provided by Casey, since he provided me with a copy that is not signed by a Judge or Magistrate. During my search of Wisconsin Courts, I found a case, Case #2018CV430 in which a TRO was issued on 07/05/2018. I also searched the case # provided on the Order of Protection provided by Casey, 2018CV754, and found a TRO was issued on 11/28/2018. I was not able to locate a "Protective Order", unless Wisconsin Courts word the Order of Protection differently.</p> <p>I am forwarding this report to CID for further investigation into the Wisconsin Courts as well as the Facebook posts. Casey also mentioned that Mr. Hutcherson has an Instagram account in which he also harasses him through.</p>

SHERIFF'S OFFICE

Smith, Cody	<p>Offense: INFORMATION Serial: 20-E1147 Complainant: STATE OF TEXAS Address: 2500 S. US HWY 385 Date: March 04, 2020 Time: 1145 hrs Officer: INV. C. SMITH 977 =====</p> <p>Wednesday, March 04, 2020 1145 hrs Inv. C. Smith 977</p> <p>1. On the above date, and time CID Secretary D. Nieto advised me that a male subject was in the lobby of the Ector County Sheriff's Office demanding to speak with an Investigator. She advised the male subject did not provide his name, and was extremely belligerent and disrespectful stating he needed to file a complaint but that no one was helping him.</p> <p>2. I then made contact with the male subject who identified himself as Casey Gray. When approaching him, I immediately observed his demeanor as upset and angry but before I could introduce myself, he immediately stated "and you are". When identifying myself he immediately began stating he filed a complaint two weeks prior, but has received no help from the Ector County Sheriff's Office. In an attempt to figure out a solution as to what he was stating he immediately began stating this Sheriff's Office is doing nothing and if nothing were done, he would file a complaint against the Ector County Sheriff's Office.</p> <p>3. As, I attempted to calm Mr. Gray down by apologizing for any inconvenience he has received; he immediately stated "I don't give a shit, now are you going to do your fucking job or not". It is noted that two unknown female subject(s) including Secretary D. Nieto could hear his uncalled for outburst. At this time due to his aggression, and disrespectful nature, I then advised Mr. Gray to exit the lobby and leave and to return when he was able to present himself with a calm demeanor in order for myself or another fellow Investigator could speak with him.</p> <p>4. It is noted that at the time of his outburst he DID NOT state anything in regards to a Violation of a Protective Order.</p> <p>5. Shortly after his leaving, I was advised that he immediately began slandering myself, and Ector County Sheriff Mike Griffis on Social Media stating the Ector County Sheriff's Office refused to take a complaint from him the (victim) in a "Nation Wide Protective Order" which was a false allegation. It was only later; I found out that he was a Congressional Candidate for the 11th District Congress Seat, which did not excuse his disrespectful demeanor.</p> <p>6. As the day progressed, I was then contacted at the Ector County Sheriff's Office by a male subject identified as Chris Cody Gonzales W/M, [REDACTED], TXDL# [REDACTED], 901 W. 21st Odessa, Texas, 432-741-0195 in relation to Casey Gray. Speaking with Chris, he began to speak on Casey Gray harassing him through social media stating Casey accused him of contacting him through an outside source who allegedly has a restraining order on him with Casey as the (victim).</p> <p>7. During our conversation, Chris began to go into detail as to multiple people including "veterans" contacting him in regards to Casey Gray and him representing</p>

SHERIFF'S OFFICE

"Stolen Valor". He advised several parties advised Casey had been lying about his service time claiming to be a Federal Agent with the Federal Bureau of Investigation's (FBI) over the years including being a part of the Central Intelligence Agency (CIA). Chris went as far as showing me a video through "YouTube" of Casey Gray claiming to have single handedly killing Terrorist "Solomanie" who was just recently killed by the United States Military in a bomb strike.

8. Chris advised he works for the local Republican Party in regards to looking into the backgrounds of the fellow congress candidates in regards to possible fraudulent claims. When messaging Casey he began to throw out slanderish claims stating Chris was trying to slander his name and service time, but in reality, Chris was just attempting to help Casey get ahead of the alleged rumors by speaking on his behalf. He advised Casey refused to meet with for an interview, and advised him he would see him in court for violation of an alleged restraining order from another state issued on a third party.

9. At the time of this report, neither Casey nor Chris have provided any information that an alleged criminal offense has taken place.

10. It is noted that, I was later contacted by Texas Ranger Cody Allen with the Midland DPS Home Office in regards to Casey Gray attempting to file a complaint on me, and the Ector County Sheriff's Office for refusing to act on an alleged violation of a Protective Order from another state. Ranger Allen then forwarded me the alleged paperwork Casey Gray presented him. Upon receiving the alleged paperwork it was then scanned into the documents tab of this case.

11. After reviewing the alleged paperwork, I then attempted to contact Walworth Circuit Court of the State of Wisconsin for possible records of the alleged paperwork, but was unsuccessful.

12. The records provided is missing documentation with full information on the Order of Protection 30711 out of Wisconsin, but shows that one is in full affect with Casey Logsdon Gray as the victim.

13. Based on the information provided this case will be forwarded to the County Attorney's Office for further Investigation if needed.

Nothing further to report at this time/Forward to County Attorney's Office
