

Contentitori in lamiera • Containers in sheet metal

Gamma completa di contenitori in lamiera.

Affidabili e sicuri, i contenitori in lamiera permettono di gestire nel modo più razionale la movimentazione e lo stoccaggio di grandi volumi di merci.

Sono disponibili in numerosi modelli, anche a tenuta stagna, con differenti conformazioni e dimensioni per soddisfare qualsiasi esigenza.

Comprehensive range of sheet metal containers.

Reliable and safe, with the sheet metal containers we can control the handling and storing of great volumes of goods in a more rational manner. Numerous models are available, also watertight, in different shapes and sizes to meet all requirements.

Contenitori ripieghevoli sovrapponibili Stackable collapsible containers

Vasta gamma di contenitori ripieghevoli.

Disponibili in diversi modelli e formati, i contenitori ripieghevoli Sall sono particolarmente apprezzati per la loro eccezionale praticità. In posizione chiusa, impilati uno sull'altro, occupano infatti uno spazio veramente minimo.

A wide range of collapsible containers

Available in different models and sizes, the Sall collapsible containers are highly appreciated for their exceptional practicality. When closed, stacked one on top of the other, they actually take up very little room.
