# **Home Build**

Dear Covenant,

I am excited to see area churches coming together to serve others in a tangible way in this Home Framing Project on May 19<sup>th</sup> at La Grange Baptist Church. Saturday, May 19<sup>th</sup> at La Grange Baptist Church.

Please help me manage the total numbers for this project. I will need to have an accurate head count from you or your team leader so I know how many to expect from Covenant Methodist Church.

Ideally you will have one team leader for every 8-12 people. Let me know if you think you will "field" one team or more than one team. If you don't have a team leader your people can simply show up on May 19<sup>th</sup> and we will assign them to a team that needs more people. Either way will work fine, I just need to know as we get closer.

The easiest way for a team leader to register is to simply text the word **Framing** to **313131**. They will receive a link to the leader registration site. Be sure they create a login and password in order to complete the leader registration process. If team leaders have any questions then can contact me on my cell at <u>502-807-2622</u>. It's pretty easy once they create an account. Even though it is through our website, they will not be contacted for any reason beyond this Home Framing Project

Blessed to be a blessing,

MIKE BERRY | La Grange Campus Community Pastor
