# About Homemerce

**Homemerce Ltd.** is a leading provider of high-quality interior and exterior mouldings in the UK, specialising in products crafted from robust, durable EPS polystyrene with a premium plaster coating. With over a decade of experience, we offer the largest range of profiles, sizes, materials, and designs to suit any aesthetic requirement.

Our commitment to superior quality is evident in every product we create. Our mouldings are built to last, featuring fire-retardant, waterproof, warp-proof, UV-resistant, and crack-resistant materials. This ensures long-lasting durability and minimal maintenance, providing excellent value to our customers.

At **Homemerce**, we pride ourselves on our ability to customise products to meet specific design and dimension requirements, ensuring that our customers receive mouldings tailored to their exact specifications. Our easy-to-install products save builders time and costs, requiring only a solvent-free adhesive for a smooth application. We are renowned for our trusted reputation and dedication to excellence.

Our craftsmen blend special plasters and quartz to create a robust, visually appealing coating that enhances the beauty of our mouldings while providing excellent weather resistance, fire retardancy, and durability.
