

From: David Chappell, Nottingham Trent University, 30/1/19

Subject: Fully funded PhD opportunities available at Nottingham Trent University

Nottingham Trent University is providing competitive funding for excellent PhD candidates. Some potential projects in computational fluid dynamics can be found listed on my homepage

<https://www.ntu.ac.uk/staff-profiles/science-technology/david-chappell> under 'Research Areas'.

Details of the funding available can be found at <https://www.ntu.ac.uk/research/research-degrees-at-ntu/phd-studentships>.

The deadline for applications is 25th February 2019. Please contact david.chappell@ntu.ac.uk for further details.
