PRIVACY POLICY AND DATA SECURITY

The owners of the website treat the user's personal data confidentially in accordance with the applicable legal regulations, ensure their security, take the technical and organizational measures necessary to enforce the relevant legal provisions, and prevent unauthorized access to and use of the data to the privacy of the user be respected.

The owner of the website and the hosting service provider Rackhost Zrt. (<https://www.rackhost.hu/contact>) do everything to ensure the security of the website, but they do not accept responsibility for any damage caused by internet malware that may be associated with the website. The website does not collect any personal data without the user's consent.

The personal data provided by the user in the contact panel on the website (name, e-mail address) are used only for the purpose of contacting the owners. In the message, the user can provide other personal data (age, physical and mental state, etc.) that are not necessary, but by providing them, the user authorizes the owners of the website to handle this data.

After the user's consent has been clearly expressed, the data is automatically forwarded to the e-mail address of the website owners according to the chosen service/professional, so the further security of the messages is guaranteed by the data protection guidelines of the service providers providing the address:

- Yahoo: <https://legal.yahoo.com/ie/hu/yahoo/privacy/index.html>,

- GMail (Google): <https://policies.google.com/privacy?hl=hu>

The received personal data is seen only by the recipient, it is not recorded in a database, it does not use the services of data processors, it does not forward or transfer the data to third parties.

The deletion or modification of personal data can be initiated at one of the contact details of the website owners.

OTHER

If you have any questions regarding the privacy policy or request information regarding the handling of your personal data, you can contact the website owners at the above contact details.

You can file a complaint with the National Data Protection and Freedom of Information Authority:
