# PASTORAL MIGRATORIA

## FOUNDATION OF PASTORAL MIGRATORIA

When immigration reform failed to pass the Senate in 2007, and it became apparent there would be no legislative reform in the near future, Chicago's immigrant faith community wondered

1. What is God's intention now that immigrants need to live in a state of uncertainty?
2. What can they do to help one another?

In response to these questions, Hispanic Pastoral Migratoria and Polish Social Ministry were born in 2008.

## MISSION

Pastoral Migratoria (PM) invites immigrants to respond to their baptismal call to be engaged in service and justice actions in their parish communities.

## PASTORAL MIGRATORIA AND POPE FRANCIS

Pastoral Migratoria advances the integration of immigrants in society, while providing the opportunity to connect their faith and lives as immigrants in this country.

“In Pastoral Migratoria, I have learned to be aware of the injustices that affect our community, to offer a helping hand to our neighbors and to share what God has given me. Faith without actions does not function.”

—Ricardo Unzueta, San Pablo, Chicago Heights, Illinois

## PHASES OF PASTORAL MIGRATORIA

**Formation:** New leaders complete a series of seven Pastoral Migratoria formation modules based in Catholic social teaching and the *listen-learn-proclaim* (see-judge-act) methodology.

**Commissioning:** These pastoral agents are introduced to their parish community during a commissioning mass.

**Implementation:** Pastoral agents identify the needs of their community and respond, working in collaboration with community organizations and partners (e.g., immigration, labor, housing, substance abuse, financial literacy, etc.)

## WHERE IS PASTORAL MIGRATORIA?

Over 200 leaders (pastoral agents) are involved in 50 Hispanic parishes. We are also in 6 Polish parishes.
