

Lebanon Evangelical School
for Boys and Girls Loueizeh - Baabda

Bus Fees : 2020 – 2021

Important notes :

- 1 : We would rather not run buses this year, we are only doing so as a service. It will be impossible to break even with buses.
- 2 : There is NO discount this year for multiple children on the bus.
- 3 : The prices are 35% more expensive than last year
- 4 : It might be more economical for you to hire a private car if you are five or more children from one area.
- 5 : The rule at this school is normally NO private buses are allowed to deliver children to school. For this year we are suspending this rule because buses that run on the lines are the only ones that will be able to run in this economic climate.
