Failure to comply with these instructions will result in your reimbursement packet being returned. Incomplete/inaccurate packets delay reimbursement for everyone.

BEFORE YOU TAKE CLASS(ES):
Staff must submit for approval PRIOR to the start of any course.
1. Complete a Course Tuition Reimbursement Form in FileBound prior to the start date of the class for each class. Go to the intranet, click on "Forms."
2. Print your final approvals when you receive them by e-mail. This is the first piece of your reimbursement packet. You must click the link in the e-mail and print the actual approval from school stream.

AFTER YOU HAVE TAKEN CLASS(ES):
All information must be sent hardcopy. No email or fax documents will be accepted or processed.

Incomplete packets cannot be processed and will be returned. Your reimbursement may be delayed until the next processing cycle.

When you have completed the course and received a transcript for the classes taken, you are ready to complete your personal reimbursement packet. Use the attached checklist as a guide.

1. Include a copy of your final approval from FileBound.

2. You must include a statement from the institution indicating itemized charges and payments. This is your Proof of Payment document.

3. You must include an unofficial transcript that is printed from the institution's website. You may not use the "My Grades" application from your university.

4. You must include a Personal Reimbursement Cover Page and a Personal Reimbursement Supply Log. These documents are located on the Red Clay intranet: go to the intranet, click "Forms", scroll down to "Financial", click on "Personal Reimbursement Form".

5. Do not put any money numbers on the cover page, only your personal information and your employee ID. DO NOT STAPLE YOUR PACKET, PLEASE.

6. The supply log should contain: course title & course #, number of credits and tuition amount. Use 2 sections on the same sheet to list summer and fall classes. Print clean forms. Do not use the examples below.
