

# Calvin Harris - Hard to Love Lyrics

I don't like to talk, but I love to sing  
And I don't smoke, but I love to drink  
I'm paranoid, I don't miss a thing  
But I'm still nice, at least that's what I think  
Fall in love, like I'm a fiend  
But then I pull out, and say, "I need freedom, I need freedom"

I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it  
I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it

Baby, I'd rather be hard to love  
Than easy to leave, you should believe me  
I think you need me  
I'd rather be hard to love  
Than easy to leave, you should believe me  
I think you need me

'Course you love me, you don't know me  
But I got news for you, I came broken  
Ego issues, my head is swollen  
I got a million chips on my shoulder  
But if you stay despite all I sold ya  
Then maybe you don't need freedom, freedom

I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it  
I guess I'll take it, heartbreaker  
A title, I can't shake it, can't fake it

Baby, I'd rather be hard to love  
Than easy to leave, you should believe me  
I think you need me  
I'd rather be hard to love

Than easy to leave, you should believe me  
I think you need me

Go deeper, go deep  
I love it when your roots go deep so I know you won't leave  
Go deeper, go deep  
I love it when your roots go deep so I know you won't leave  
Go deeper  
I like being ugly, that way if they love me  
I know that they love me for real  
I like being ugly, that way if they love me  
I know that they love me for real  
I like being ugly, that way if they love me  
I know that they love me for real  
I like being ugly, that way if they love me  
I know that they love me for real

Go deeper  
Go deeper  
Go deeper  
Go deep

Oh my God, that feels nuts on its own  
That shit feels like fucking  
That shit feels like, that shit feels like some ego tripping shit
