

# #Building our Future

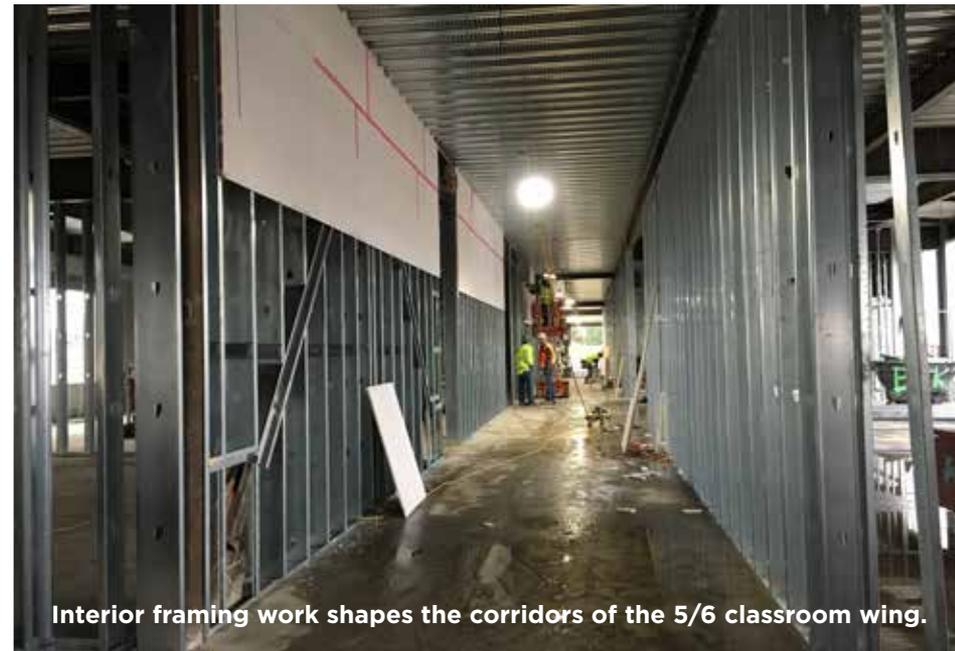

**Construction Update: Week ending December 1, 2017:**  
In the 5/6 and 7/8 classroom wings, exterior framing and roofing work continues to progress. Concrete was poured on the 7/8 wing's second level, and interior wall framing is shaping the corridors of the 5/6 wing. Roof decking work moves forward in the STEAM wing, along with structural steel work at the Gyms.

Roofing work continues in the 7/8 classroom wing.

Second floor concrete slab pour in 7/8 classroom wing.

Interior framing work shapes the corridors of the 5/6 classroom wing.
