November 18, 2020

Dear Students, Families, and Community Members of the Milton-Union Schools:

The district received verification that a staff member tested positive for COVID-19. Following Ohio Department of Health and Miami County Public Health guidelines, students, parents, and caregivers, and any employees identified as close contacts have been notified directly regarding next steps.

Not only will the district remain committed to safety protocols, but we will also strive to maintain the privacy of and confidentiality for students, families, and employees. We hope everyone can remain mindful of safe practices and healthy decisions among our students, staff members, parents, and caregivers both in and outside of school. As always, thank you for your continued support, understanding, and patience.

Respectfully,

A handwritten signature in dark ink, appearing to read "Brad Ritchey".

Brad Ritchey, Ph.D.
