

### Material

Main: 69% polyamide, 31% cotton, 250 g/m².

Reinforcement: 100% polyamide CORDURA®, 205 g/m².

An extremely tough and hardwearing material, used to reinforce exposed parts such as pockets, knees and sleeves. It is also water and dirt repellent, easy to care for and retains its shape.

## Tool Vest

Versatile tool vest built for everyday use on the job. The vest provides durable and reliable tool-carrying functionality as well as plenty of options for practical storage.

Everyday use tool vest that offers excellent tool carrying and plenty of options for practical storage. The vest features mesh ventilation at the front that ensures efficient breathability during intense work. Wide and adjustable shoulder straps and an elastic at the back provide smooth comfort while an integrated belt reduces pressure on shoulders. In addition, an integrated inside expander makes it possible to wear the vest with or without a jacket.
